CALCULATION METHODOLOGY		Overall average of semester 1 and semester 2 grade 12 results*. Evidence of successful completion must be provided. All documents submitted must be translated and untranslated.			Total final score as awarded on the official final IB Diploma Program Results issued by the IBO. Evidence of successful completion must be provided.	Total score of a maximum of the best 3 A Level subject examinations taken within two years+. +Two AS Level subjects can be counted in place of one A Level subject, provided that the subject has not been taken at A Level, and there is at least one A Level subject included in the calculation. AS Level results cannot be used to replace a poor performance in an A Level subject. Score A Level grades as follows: A*(a*)=5, A(a)=5, B(b)=4, C(c)=3, D(d)=2, E(e)=1, U=0. Score AS Level grades as follows: a(a)=2.5, b(b)=2, c(c)=1.5, d(d)=1, e(e)=0.5, U=0. N (Narrow failure) and U (Unclassified) are not to be included in the calculation. A maximum of 1 bonus point is offered when achieving A* in an A Level subject. +Subject examinations taken within two years may include more than one sitting. For example, subject examinations in June 2013 until June 2015 are acceptable.
