STUDY MODES

ON-CAMPUS

If you are in Australia on a student visa you must study full time on campus. While in Australia, you are able to undertake some units within your course online provided it is: no more than 33 per cent of your entire course; approved by the University; and not entirely online in a compulsory term.

ONLINE

If you choose to study online, you may choose part time or full time to study at your own pace. This is a perfect option if you need to balance work or family commitments. Some courses require you to attend a residential school in Australia for a short period of time.

www.cqu.edu.au/international-online

STUDY ENGLISH WITH YOUR ACADEMIC COURSE

We offer multiple pathways for students to meet the English language requirements. CQUniversity is located in Brisbane, Melbourne, Rockhampton and Sydney. By packaging your English course with your academic course, you won't have to take an IELTS test.

www.cqu.edu.au/cquenglish

STUDY FULL OR PART TIME

FULL-TIME

For an undergraduate or postgraduate coursework degree, a standard full-time load consists of four units per term. You can expect a maximum of 16 hours on campus each week, consisting of four hours per unit.

PART-TIME

Part-time study is only available to international students who hold a temporary visa or do not live in Australia and are studying online. A part time study load consists of one or two units per term.

RECOGNITION OF PRIOR LEARNING (RPL)

If you have previously studied at another university or institution within the last ten years, or have professional experience, you may be eligible for recognition of prior learning (also known as advanced standing, credit exemption and credit transfer). This must be applied for at the time of applying for your course.
