STUDYING IN PERTH & WESTERN AUSTRALIA

Western Australia provides a safe environment to study and the opportunity for industry work experience and part-time work while you study.

Perth key facts

Vibrant city with a population of over 2 million

Sun and beaches as well as concerts, cafés and culture

Transport concessions and free transport zones in City centres

Quality accommodation options close to city

Free Wi-Fi zones

In 2016, Perth was ranked in the top 10 of the most liveable cities in the world.*

* 2016 Economist Intelligence Unit (EIU)

Modern facilities

Practical workplace skills

Pathways to university

Why study with TAFE International Western Australia?

> Government owned and operated

TAFE offers high quality, nationally recognised courses and is government backed and guaranteed.

> Pathways to university

TAFE offers programs that have flexible entry requirements and provide opportunities for further study at university.

> Large course selection

You can choose from more than 250 courses at locations throughout metropolitan Perth and regional Western Australia.

> Modern facilities

TAFE has modern facilities designed to closely replicate real work environments.

> Practical workplace skills

TAFE qualifications provide you with practical experience and industry training that gives you skills employers need.

> Value for money

You will receive high quality training and support at an affordable cost.

TAFE International Western Australia key facts

TAFE International Western Australia welcomes **students from over 94 countries in 17 industry areas.**

TAFE to **university pathways** are available in most industry areas in **partnership with all four public universities in Western Australia.**

National surveys show **international vocational students** are **more likely** than higher education students **to be employed***.

TAFE **courses** are available **from Certificate II through to Advanced Diploma and Associate Degree level.**

*Department of Education and Training biennial survey of international students, 2015.

LIFE IN WESTERN AUSTRALIA

Accommodation

There are a variety of accommodation options available to international students studying in Western Australia.

Temporary

This may be a good option for when you first arrive in Western Australia. You can search for temporary accommodation through the internet and book online. There are many hostels or guest houses that range from \$90 to \$150* per week.

Shared rental

Many students choose to share a rental house or apartment with other students as this reduces costs. The rental price for a furnished room in shared accommodation is between \$85 to \$215* per week. This cost does not usually include electricity, water or gas.

Living on campus

The campus living options include:

- > Edith Cowan University (ECU) Village, Mt Lawley – rooms start from \$199 per week;
- > Murdoch University Village, Murdoch – rooms start from \$168 per week;
- > Pepperell Village, Geraldton – rooms start from \$125 per week;
- > ECU Village, Bunbury – rooms start from \$185 per week.

Homestay

This is very popular because you can make Australian friends, embrace the Australian lifestyle and improve your English.

Homestay costs between \$275- \$310 per week, depending on your age and level of service provided. There is also a Homestay placement fee of \$250.*

For more information about any of the accommodation options listed above please visit the website:

tafeinternational.wa.edu.au/accommodation

For students over the age of 18 you may wish to consider a four week short homestay to transition into your local area and college. For more information and to make a booking visit: homestaynetwork.org

*These fees are current as of 2017, prices are reviewed annually.

Work

You may decide to find a part time job to increase your income and gain work experience while studying.

Your student visa allows you to work while you are in Australia for up to 40 hours per fortnight during each semester and unlimited hours during semester breaks.

For detailed information please visit the Department of Immigration and Border Protection website: www.border.gov.au/Trav/Stud/More/Work-conditions-for-Student-visa-holders

Other living expenses

See below for an example of the living costs you may encounter as an international student in Australia.

Item	Cost per week (AUD)
Food and eating out	\$80 - \$280
Gas and electricity	\$35 - \$140
Phone and internet	\$20 - \$55
Public transport	\$15 - \$55
Car (after purchase)	\$150 - \$260
Entertainment	\$80 - \$150

*Sourced from: studyinaustralia.gov.au/global/live-in-australia/living-costs

Transport

Arrival

Once you arrive in Western Australia you have a number of different options to connect you to your campus location. You can travel by car, train or bus to the majority of campus locations. From Perth Airport you can fly by plane to the more remote regional campus locations.

Airport pickup can be arranged at a cost of \$130, students will be taken directly to their homestay family or temporary accommodation. Airport pick up is compulsory for students under 18. Please contact AHN at homestaynetwork.org to organise this service.

A taxi from the airport to central Perth costs approximately \$50. An airport bus (\$20) is also available and can drop passengers at central city hotels.

Free travel in central Perth

One of the best features of life in Perth is the free travel around the central business district. This allows you to travel for free on buses or trains within the Free Transit Zone.

Perth, Fremantle and Joondalup also have free Central Area Transit (CAT) buses that allow you to travel for free within these central business districts.

Discount travel for students

International students studying full time at TAFE colleges are entitled to discounted travel on Transperth and regional town bus services. To access you will need to apply for a Tertiary SmartRider. Find out more here transperth.wa.gov.au/smartrider/types-of-smartrider/tertiary-smartrider

International driver's licence

If you have a current licence from your home country you may be able to drive in Western Australia. The Department of Transport provides information about licensing and road rules in Western Australia. You can visit their website for more information: transport.wa.gov.au/licensing/visiting-from-overseas.asp

HELP AND ADVICE

Overseas health cover

All international students studying in Australia are required to pay Overseas Student Health Cover (OSHC) for the entire duration of their student visa. OSHC is offered by a number of different providers.

TIWA has a preferred provider arrangement with Bupa. If you wish to use another provider, you will need to make your own payment arrangements and show evidence of the payment to the Department of Immigration and Border Protection when you apply for your visa.

The following table gives you a guide as to the cost of cover as at 2016 (subject to change).

Months duration			
6	\$292	\$827	\$1 195
12	\$583	\$1 654	\$2 390
18	\$891	\$2 559	\$3 960
24	\$1 188	\$3 411	\$5 280
30	\$1 485	\$4 264	\$6 600
36	\$1 782	\$5 117	\$7 920

 **Single policy** - cover for you only.

 **Couples policy** - cover for you and your partner.

 **Family policy** - cover for you, your partner, and your children under 18 years of age if they live with you in Australia.

Support services

TAFE college support

The International Centre at your TAFE college can provide support relating to your study or personal issues. College staff will be able to assist you with:

- > advice on courses and pathways;
- > identifying suitable accommodation in one of the local suburbs;
- > your application for continuing enrolment;
- > advice on change of course/ units pathways;
- > updating your contact details (i.e. address, email, mobile numbers);
- > monitoring your class progress and assisting you to achieve your study goals;
- > Overseas Student Health Care information; and
- > public transport information.

Safety

International students in Perth enjoy a safe and secure study environment. However you should always take care particularly when out and about at night. The International Centre staff at your college can help you by providing support and advice to you during your studies.

TAFE International Western Australia (TIWA)

TIWA can also assist with a range of issues relating to your enrolment. You can find helpful information for current students at tafeinternational.wa.edu.au/current-students  including:

- > your enrolment;
- > forms, publications and policies; and
- > how to pay your fees.

For information about finding accommodation or safety advice for international students please visit tafeinternational.wa.edu.au/help-and-advice 

Orientation

When you arrive in Western Australia you must attend an orientation session at your college. You will be sent your orientation details once your Confirmation of Enrolment (CoE) has been issued.

At orientation you will:

- > receive your class timetable;
- > be given a tour of your campus;
- > find out important information relating to your studies; and
- > find out more information if you have not received an OSHC card.

Create your Unique Student Identifier (USI)

Please note all students enrolled at a TAFE college in Australia need to have a Unique Student Identifier (USI). The USI is linked to your enrolment record and provides you with easy access to your training records and results whenever you need them.

You need to create your USI prior to attending your orientation session. To create your USI go to usi.gov.au 

To find out more go to tafeinternational.wa.edu.au/usi 

Bringing dependant children

In Australia it is compulsory for school-aged dependants to undertake full-time studies. If you are bringing school aged children with you to Australia, you will require a Confirmation of Placement (CoP) to secure your child's dependant visa. The CoP provides evidence of schooling arrangements. For more information about receiving a CoP please see page 119.

You will be required to fund the tuition of your dependant children. Note that annual tuition fees for public school enrolments must be paid to TIWA, prior to a placement at a school being confirmed.

Please visit tafeinternational.wa.edu.au/dependants-of-other-visa-holders  for more information.

STUDYING AT TAFE

All courses offered by TAFE colleges to international students are registered on the Australian Government Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS) and are full time.

Full time study for international students at TAFE consists of around 20 hours of training per week.

TAFE colleges in Western Australia deliver a range of courses that are developed in consultation with industry and are reviewed regularly to ensure that students graduate with the skills and knowledge required for a successful employment outcome.

Where there is a note in the course information which indicates that a course is under review, this may mean a change in course number, change in course content and/or the introduction of new learning and delivery styles. The new course will continue to be industry focused and get students started on their career pathway.

Australian Qualification Framework (AQF) levels

You can choose to study different types of courses at Western Australian TAFE colleges. Each course type represents a different AQF level.

Please see below the course types and qualification levels:

- > Level 2 – Certificate II
- > Level 3 – Certificate III
- > Level 4 – Certificate IV
- > Level 5 – Diploma
- > Level 6 – Advanced Diploma, Associate Degree

Each TAFE program may include multiple qualification levels that each take a different length of time to complete.

For more information about AQF levels please visit: aqf.edu.au 

Industry training

TAFE colleges in Western Australia deliver a range of courses that are developed in consultation with industry and are reviewed regularly to ensure that students graduate with the skills and knowledge required for a successful employment outcome.

TAFE courses involve more “hands on” activities and practical experience than university.

These activities may include workshops and projects as well as work experience placement.

Competency Based Training (CBT)

Training packages & CBT

Training packages are used as the basis for most of the Vocational Education and Training (VET) programs delivered by TAFE colleges throughout Australia.

A training package is a set of nationally endorsed standards and qualifications for recognising and assessing people's skills in a specific industry, industry sector or enterprise.

They are developed by national Industry Skills Councils (ISCs) in consultation with industry and are not owned by an individual training provider.

Training package qualifications are made up of a set of core and elective units of competency. These units of competency outline the skills and knowledge students must acquire if they are to successfully complete a qualification. These competencies are delivered by qualified trainers using a Competency Based Training (CBT) approach.

CBT places emphasis on what a person can do in the workplace as a result of completing a program of training.

Competency Based Assessment

Competency Based Assessment is the process of collecting evidence and making judgements as to whether a competency has been achieved. The purpose of assessment is to confirm that a student can perform to the standard expected in the workplace as outlined in the competency. The evidence may be collected by observing a student undertaking a task in the workplace, through a formal theory test, the completion of a project and so on.

If students believe that they are already competent, they can apply for Recognition of Prior Learning (RPL). RPL is the term used to describe a number of assessment processes that formally recognise the competencies an individual has acquired through formal or non-formal learning, work experience and/or life experience.

You can find more information about RPL on TIWA's website: tafeinternational.wa.edu.au/recognition-of-prior-learning 

Now that I have finished my course I am studying a Bachelor of Business at ECU. The course prepared me for university and I received a good credit transfer for advanced standing. It was a great experience studying at South Metropolitan TAFE and I know it will help me in the future.

Shadi | Associate Degree of Business | Seychelles

TAFE PATHWAYS TO UNIVERSITY

There are many pathways from TAFE to university. TAFE courses will provide you with a strong grounding in your chosen field and prepare you to be ready for your university studies.

A Diploma, Advanced Diploma, Higher Education Diploma or Associate Degree can provide you with a pathway into Bachelor Degree programs with leading Western Australian universities.

Start your studies at TAFE

The advantages of starting your studies at TAFE include:

- > industry focused pathway to further study
- > smaller class sizes with extra English and academic support;
- > practical, employment focused skills that will complement your degree; and
- > may reduce your study load, course duration and fees when you enrol into your university degree.

University partners

TAFE Western Australia has advanced standing agreements with the Western Australian universities listed below. These universities give Diploma, Advanced Diploma and Associate Degree graduates, entry into a wide variety of degree programs with very competitive advanced standing or credit transfers.

CRICOS Provider Code: 00301J

CRICOS Provider Code: 00279B

CRICOS Provider Code: 00125J

CRICOS Provider Code: 00126G

University credits

To gain the equivalent of one year of advanced standing, you need the following credit points:

- > Curtin University = 200 credit points;
- > Edith Cowan University (ECU) = 120 credit points;
- > Murdoch University = 24 credit points; and
- > The University of Western Australia (UWA) = 48 credit points.

Please note the structure of credit points may not apply to all courses.

For more information about university credit arrangements please visit: tafeinternational.wa.edu.au/university-pathways

On completion of TAFE and university you will have two qualifications which are attractive to employers and will give you a competitive edge in the global job market.

University packages

If you are considering studying an undergraduate degree after your TAFE program, you have the option of packaging that course with Curtin University, Edith Cowan University (ECU), Murdoch University or The University of Western Australia (UWA).

You can commence a Diploma, Advanced Diploma or Associate Degree pathway with TAFE and, on completion, transfer to your chosen university to complete your degree program. When you apply for a packaged program you will receive a student visa for the whole period of your study.

Please note: To submit an application for a university package you must use a Registered Agent of the relevant university and TIWA. Your agent will assist you with the packaged application and guide you through the visa process. A list of Education Agents in your country can be viewed at tafeinternational.wa.edu.au/agents

Packages can only be arranged at the time of application.

For more information about university packages please visit: tafeinternational.wa.edu.au/unipackages

ENTRY TO TAFE

Admission requirements

If you have completed the equivalent of Australian Year 10 or 11, you will most likely begin your studies at Certificate III level. If you have completed the equivalent of Australian Year 12, you may start at Certificate IV or Diploma level. Each study area is different so please refer to the specific course information located in the courses section of this guide.

Country	Year 10/11 Equivalent	Year 12 Equivalent	English Equivalent
 Bhutan	Bhutan Middle Secondary School Certificate	Bhutan Higher Secondary School Certificate or Middle Secondary School Certificate plus 2 year relevant vocational diploma	<ul style="list-style-type: none"> > IELTS 6.0 (or equivalent) overall (no band less than 5.5) direct entry. > IELTS 6.0 (or equivalent) overall (no band less than 5.0) - course will be packaged with 10 weeks ELICOS
 Brazil	Certificado de Ensino Medio (Year 10 or Year 11 equivalent)	Certificado de Ensino Medio from 2011 (year 12 equivalent) ** Certificado de Ensino Medio plus 1 year Diploma or Higher qualification (pre 2011)

 Vietnam	Upper Secondary schooling (Year 10 or 11 equivalent)	Diploma of General Education or Vocational Education Graduation Diploma or Vocational Training Diploma	
 Zimbabwe	ZGCE O Level (4 subject passes)	A Level 2 passes or (1 A and 2 AS level passes) or International Baccalaureate Diploma	

Please note that entrance may also be possible for mature age students, without the grades listed above, based on appropriate work experience.

Depending on your nationality, the Australian Department of Immigration and Border Protection (DIBP) might only accept a formal English language test result (such as IELTS, Pearson Test of English, TOEFL) as proof of English competency for student visa purposes. Please refer to www.border.gov.au/Trav/Visa-1/500- [link](#) for details.

Please refer to tafeinternational.wa.edu.au/admission-requirements [link](#) for any updates to admission requirements or if your country is not listed above.

English language requirements

The basic level of English proficiency required for entry into most TAFE courses is the equivalent of Academic IELTS 5.5 with no band lower than 5.0.

Some courses and some passport nationalities may require a higher level of English i.e. IELTS 6.0 or 6.5. You can find this information in the course section of this guide.

Please note the IELTS test is only valid for 2 years.

Certificate, Diploma and Advanced Diploma courses	Associate Degrees and other courses
IELTS (academic) score of 5.5 with no band score less than 5	IELTS (academic) 6.0 with no band score less than 5.5
TOEFL 55 (iBT)	TOEFL 60 – no band lower than 15 (iBT)
Pearson Test of English (PTE) Academic – Minimum Level 43	Pearson Test of English (PTE) Academic – 50
Password score of 5.5	Password score of 6.0
Eiken Grade Pre 1	Eiken Grade 1
Completion of at least 2 years of study at an acceptable grade in an English medium course completed within the previous 2 years	Completion of at least 2 years of study at an acceptable grade in an English medium course completed within the previous 2 years
International Baccalaureate (IB) Minimum of 3 in English A1 or A2	International Baccalaureate (IB) Minimum of 4 in English A1 or A2
Completion of the Cambridge First Certificate of English (FCE)	Completion of the Cambridge Certificate in Advanced English (CAE)
Completion of English for Academic Purposes (EAP) at Upper Intermediate Level or equivalent at North Metropolitan TAFE / South Metropolitan TAFE or a recognised English college	Completion of English for Academic Purposes (EAP) at Pre-Advanced level or equivalent at North Metropolitan TAFE / South Metropolitan TAFE or a recognised English college
Completion of Certificate IV in Spoken and Written English (SWE) is an accepted English language level for entry into most vocational education courses offered by TAFE colleges.	Completion of Certificate IV in Spoken and Written English (SWE) is an accepted English language level for entry into most vocational education courses offered by TAFE colleges.

Please note: The Department of Immigration and Border Protection may require different or higher English levels for visa purposes, please check these at border.gov.au 

TAFE International Western Australia reserves the right to alter any admission requirement without prior notice.

English pathways to TAFE

Students who need to improve their English can package an English course with their TAFE program.

The North Metropolitan TAFE and South Metropolitan TAFE English Language Centres offer English Language Intensive Courses for Overseas Students (ELICOS). There are a range of ELICOS courses available to improve your English language skills.

An ELICOS course will help you to meet the admission requirements of a TAFE course or develop your English skills to further your career.

South Metropolitan TAFE, South Regional TAFE and North Regional TAFE also offer the Certificates in Written and Spoken English.

Choose an English course

Please see page 29 for more information about English language courses available through TAFE International Western Australia.

Private English colleges

In addition to offering English courses at TAFE colleges, you can also package a TAFE course with an English program at a private English college in Perth.

For more information please visit: tafeinternational.wa.edu.au/your-study-options/study-at-tafe/english-partners

Folio requirements

There are several courses within the Art, Design and Multimedia study area at **North Metropolitan TAFE** that require you to submit a folio of your work for admission to your course.

If you want to continue into the Diploma or Advanced Diploma level in these areas, you may also be required to submit folios.

The following courses have folio requirements:

- > Associate Degree of Design (3D Product Design stream)
- > Associate Degree of Design (Fashion & Textile stream)

- > Associate Degree of Design (Jewellery + Object Design)
- > Certificate III in Music (CUS30109)
- > Diploma of Mass Communication (52734WA)
- > Diploma of Music (CUS50109)
- > Diploma of Photography & Photo Imaging (CUA50915)
- > Diploma of Screen & Media - Film & Television (CUF50107)
- > Diploma of Screen & Media - Radio (CUF50107)
- > Diploma of Sound Production (CUS50209)

These courses are also identified within the courses section of this guide.

For more information please see tafeinternational.wa.edu.au/folio-requirements for detailed information and submission dates.

Fees

The 2017 tuition fees for TAFE courses begin at approximately \$5 880 AUD per semester. Resource fees and material fees may also be payable, please see the section below for more information.

English Language Intensive Courses for Overseas Students (ELICOS) fees are \$300 AUD per week.

Tuition fees are reviewed annually. If tuition fees are increased you will be required to pay the new fees as they are introduced.

To view the current fees for your course please visit the relevant course outline page within the course catalogue at tafeinternational.wa.edu.au/courses

Resource & material fees

Many of the courses offered through TAFE International Western Australia have a resource fee which includes any consumable that is used by a student in the course of their study e.g. paint, internet use; and/ or a materials fee which includes any item that remains the property of the student after the course e.g. personal protective equipment, tools, text books.

These fees must be paid to your college once you have attended your orientation session.

Please note that TAFE colleges may have different resource fees and material fees.

IMPORTANT DATES - 2017

Students must be ready to join classes on the dates indicated below. Orientation takes place one week before the start of classes - details will be outlined in your Letter of Offer and can also be found on the website at: tafeinternational.wa.edu.au/orientation

Semester dates

Certificate, Diploma and Higher Education Diploma courses

Semester	Start Date	End Date
1	Monday 30 January	Friday 23 June
2	Monday 17 July	Friday 8 December

Associate Degrees

Semester	Start Date	End Date
1	Monday 13 February	Friday 30 June
2	Monday 24 July	Friday 8 December

ELICOS dates

English Language Intensive Courses for Overseas Students (ELICOS) courses at North Metropolitan TAFE and South Metropolitan TAFE are flexible in duration. Placement testing and orientation takes place on the Monday you start classes.

North Metropolitan TAFE

Term	Start Date
1	Monday 23 January
2	Monday 3 April
3	Monday 12 June
4	Monday 21 August
5	Monday 30 October

South Metropolitan TAFE

Term	Start Date
Summer	Wednesday 4 January
1	Monday 30 January
2	Monday 24 April
3	Monday 17 July
4	Monday 2 October

These courses have flexible starting dates, if you are unable to commence at the beginning of the term you should indicate your preferred start date on our *International Student Application Form* located at the back of this course guide or see: tafeinternational.wa.edu.au/apply

Image courtesy of Tourism Western Australia

Application cut-off dates

Please see below to view the application cut-off dates for 2017 for students not in Australia and students already in Australia.

Students NOT in Australia:

Offshore students should allow between six and eight weeks before the course starts to allow for visa processing and flights to Perth*

Students ALREADY in Australia:

Onshore applications will be assessed depending on availability.

Onshore students should allow two to four weeks before the course starts to allow for visa processing*

*The introduction of the Simplified Student Visa Framework (SSVF) may change the financial and English language evidence that you need to provide to Department of Immigration and Border Protection (DIBP) for your student visa application. These requirements will depend on your passport nationality, please refer to www.border.gov.au/Trav/Visa-1/500- [link](#) to check what you will need to provide to DIBP.

Semester 1, 2017

Onshore applications will be considered depending on availability, no applications will be accepted after 1 February.

Semester 2, 2017

Onshore applications will be considered depending on availability and no applications will be accepted after 18 July.

Other requirements for entry:

Some courses require a portfolio and/or interview for entry, these requirements can be found at tafeinternational.wa.edu.au/folio-requirements [link](#)

To secure your place, please make payment as soon as possible as some popular courses reach full capacity.

Please refer to the website at tafeinternational.wa.edu.au/applicationdates [link](#) for specific cut-off dates for application and acceptance.

I completed my Certificate IV in Preparation to Nursing Education and I am now undertaking the Diploma of Nursing (Enrolled/Division 2). Studying at North Metropolitan TAFE has increased my confidence and nursing knowledge. I have also gained many new friends along my training journey.

REX | MALAYSIA

Diploma of Nursing (Enrolled/Division 2)

NORTH METROPOLITAN TAFE

The North Metropolitan TAFE provides a wide range of courses using modern facilities designed to closely replicate real work environments. You will be provided with support to help you settle into your studies and life in Western Australia.

Campus locations

International students can study across ten campus locations in Perth including:

- > Balga
- > Clarkson
- > East Perth
- > Joondalup (Kendrew Crescent)
- > Joondalup (McLarty Avenue)
- > Leederville
- > Midland
- > Mt Lawley
- > Nedlands
- > Perth (Northbridge)

Living on campus

A short distance from the North Metropolitan TAFE's Mt Lawley campus is the Edith Cowan University (ECU) Village. The ECU village provides affordable long and short term accommodation for students. Rooms start from \$199 per person per week.*

There are also a number of other accommodation options in Perth, for more information please see page 6.

* Prices are reviewed annually and are subject to change.

Study areas

North Metropolitan TAFE offers a wide range of study options including courses in:

- > Business, Commerce & Management
- > Design & Visual Arts
- > Engineering, Mining & Construction
- > Health, Education & Community Services
- > Horticulture, Conservation & Land Management
- > Hospitality
- > Information Technology (IT) & Interactive Digital Media
- > Laboratory Technology
- > Mass Communication
- > Music & Sound Production
- > Photography, Film and Television
- > Travel, Tourism and Events

North Metropolitan TAFE also offers English Language Intensive Courses (ELICOS) at the Perth (Northbridge) campus.

Campus facilities and services

International students have access to the following facilities:

- > Art Gallery at the Perth campus
- > Beauty and Massage Clinic at the Joondalup and Perth campuses
- > Bookshop at the Joondalup and Perth campuses
- > Cafeteria at all campuses - excluding Nedlands, Joondalup (McLarty Avenue) and Clarkson campuses
- > Child Care Centre at the Joondalup and Perth campuses
- > Fitness Centre at the Perth campus
- > Hairdressing salon at the Midland campus
- > Library with computer access at all campuses excluding Nedlands, Joondalup (McLarty Avenue) and Clarkson campuses
- > Prayer rooms
- > Wireless internet access

I enjoy living in Perth because it is well planned and everything is easy to access. I bought a car and have been working part-time in administration for a small business. After completing an Associate Degree of Business, I'm now studying a Bachelor of Business at ECU.

SHERNAZ | SEYCHELLES
Associate Degree of Business

SOUTH METROPOLITAN TAFE

The South Metropolitan TAFE offers a wide range of course options and specialised training delivery. You will receive high quality training and support from qualified lecturers.

Campus locations

ENGLISH LANGUAGE COURSES

- > English Language Intensive Courses for Overseas Students (ELICOS)
- > Vocational English courses

I am studying IELTS at Bentley campus. First of all, the teachers and students are warm and friendly; this makes you feel as if you are at home. School activities are fascinating and I think even those who do not like sports want to participate because of the spirit of teamwork! In addition to improving my English, I am more sociable and feel more confident to make new friends.

English Language Intensive Courses for Overseas Students (ELICOS)*

A range of English courses are available through the ELICOS Centres at **North Metropolitan TAFE** and **South Metropolitan TAFE**. These ELICOS Centres have the following accreditation and memberships:

ELICOS can be packaged with a TAFE course to ensure that you meet the English requirements of your chosen course.

The basic level of English proficiency required for entry into most courses is the equivalent of Academic IELTS 5.5 with no band lower than 5.0. Some courses require a higher level of English i.e. IELTS 6.0 or 6.5.

You can find out the English requirement for your chosen course in the course section of this guide.

ELICOS course dates

To view the ELICOS course dates for 2017 please see page 14.

Vocational English courses

Students can also improve their English by studying a Certificate in Spoken and Written English (CSWE) at **South Metropolitan TAFE**, **South Regional TAFE** and **North Regional TAFE**.

Certificates I-IV in Spoken and Written English (CSWE) are nationally accredited courses. Completion of Certificate IV is an accepted English language level for entry into most vocational education courses offered by TAFE colleges.

Students will receive a Testamur and Record of Results upon successful completion of each course.

Certificate course dates

Vocational English courses are held during the same academic calendar year as the vocational education and training courses available to study at the TAFE colleges.

For semester dates please see page 14.

HIGHER EDUCATION

HIGHER EDUCATION DIPLOMAS

> Commerce
> Networking Technology

> Programming - Applications

I came to Perth because I really wanted to learn better English and I had heard from my agent there was a good mix of nationalities here. I love the lifestyle in Perth, there is hardly any crime, and the weather is really good. I have made good friends and learnt a lot in this course. I am very confident this course was the right choice for me.

MIKE | BRAZIL

Associate Degree of Software Development (Mobile Applications)

COMMERCE

- North Metropolitan TAFE

Course Name CRICOS Code / WA Course Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Perth
Diploma of Commerce (Higher Education Diploma) 089151E / HEDC100	1 year February	\$23 680	Yr 12 with an IELTS of 6.5 (Academic Version) overall with no band lower than 6.0 or equivalent	●

Diploma of Visual Arts

This course reflects the role of visual artists who combine specialised technical, creative and conceptual skills to develop an emerging arts practice. You will complete a body of work in one or more art forms. Visual arts practice at this level is underpinned by a sound grasp of art theory and history and the ability to critically analyse and synthesise information from a range of sources. Discourse and communication around complex ideas are also required. Artists work within and across many media, and their practice may incorporate ceramics, digital art, drawing, painting, photo-media, printmaking and sculpture.

Career opportunities

Design Maker | Artist

AVIATION

- > Aeronautics - Commercial (Theory and Flying)
- > Aviation Management

- > Flight Operations (Cabin Crew)
- > Ground Operations & Service

Why wouldn't I enjoy living in Western Australia? I love living in Perth. The weather is lovely, it is a big busy city but also have long "stretches of green". The reduced number of students per class is really efficient.

FAIZA | MAURITIUS

Associate Degree of Aviation (Aeronautics)

AERONAUTICS - COMMERCIAL (THEORY & FLYING)

- South Metropolitan TAFE - AeroSpace Training Centre

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Jandakot
Diploma of Aeronautics - Commercial (Theory & Flying) 083003K / 3705F / 52647WA	1.5 years February	\$107 520	Year 12 with passes in Maths and Physics and IELTS Score of 6.0 with no band lower than 5.5 or equivalent	•
Diploma of Aeronautics - Commercial (Theory) 083003K / 3705 / 52647WA	1 year February	\$16 280	Year 12 with passes in Maths and Physics and IELTS Score of 6.0 with no band lower than 5.5 or equivalent	•

Diploma of Aeronautics - Commercial (Theory & Flying)

This course is designed for those who have the desire and ambition to become a Commercial Pilot and work in the Aviation Industry. The course provides you with the theoretical requirements of a Private and Multi-Engine Commercial Pilot with Instrument rating from the Australian Civil Aviation Safety Authority (CASA), while training in an actual Airport environment. You will learn about aerodynamics, aircraft, meteorology, airplane performance, flight planning, navigation, flight rules, human factors and radio telephony. Additional training in commercial operations is provided in such areas as airline scheduling and planning, global meteorology and climatology, Instrument Flight Rules, Aviation First Aid, basic Fire Extinguisher training, and dangerous goods. These additional units have been developed in consultation with the Aviation Industry to enable you to be competitive when applying for airline operations and administration roles.

You will have the option of integrating our flight training program at a competitive price, which provides a multi-engine flight training syllabus aimed at building flight hours toward a CASA Commercial Pilot Licence. Due to each individual pilot's level of proficiency and competency, additional flight hours may be required at an additional cost to the flight program package. All flying students will be subject to obtaining a CASA Class 1 Aviation Flight Medical and an Aviation Security Identification Card. CASA written and flight exams are the responsibility of the student, and licensing of all pilots is at the discretion of the regulator (CASA). It is highly recommended that students enrolling in the additional flight training program complete their CASA Class 1 Aviation Flight Medical prior to enrolling in this program.

Career opportunities

Commercial Pilot | Aviation Supervisor | Airline Operations Officer

Additional information

Students undertaking the flight training program will receive professional flight lessons in aircraft under partnership with a provider at Jandakot Airport.

AVIATION MANAGEMENT

● South Metropolitan TAFE - AeroSpace Training Centre

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Diploma of Aviation Management 083962G / 3730 / 52694WA	1 year February & July	\$16 280	Year 11 with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent

landakot

Diploma of Aviation Management

This course will provide you with a non-flying professional career option within the air transport and commercial aviation industries. It has been designed in consultation with both Australian and international aviation industries. You will develop the knowledge and practical skills needed to enhance your opportunities for employment and promotion within the field of airport and aviation management. You will gain valuable industry exposure to airport/airline operations and develop knowledge of airport systems and processes, coupled with airport operational subjects, such as human resource management, administration, public relations, airport planning and technical engineering.

Career opportunities

Aviation Supervisor | Ground Operations Technician

FLIGHT OPERATIONS (CABIN CREW)

● South Metropolitan TAFE - AeroSpace Training Centre

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Certificate III in Aviation - Flight Operations (Cabin Crew) 085171M / S627 / AVI30208	1 year February	\$14 180	Year 10 with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent

landakot

Certificate III in Aviation - Flight Operations (Cabin Crew)

Designed for those seeking an exciting career with an airline as a Cabin Crew Member, this course has been developed together with the Commercial Airlines and seasoned Cabin Crew Training Managers. The course meets current Aviation Industry standards and will prepare you to be successful in the airline industry. Using the static Boeing 737 aircraft for most of your practical training, you will learn about Emergency Procedures and the use of Emergency Equipment. You will have hands-on instruction in the full-length cabin with business and economy class seating, fully operational galleys, cabin service equipment and PA system, safety and security issues and communicate effectively.

Career opportunities

Cabin Crew Member | Flight Attendant

Additional information

Please note that 18 years is the minimum age for most airlines for recruitment of staff due to the Responsible Service of Alcohol certification. Students should also be fit and healthy and able to swim a minimum of 25 meters in order to successfully complete the airlines emergency procedure training.

TAFE study pathway and duration

① Certificate III in Aviation - Flight Operations (Cabin Crew) | 1 year

Certificate III in Wall & Floor Tiling 077179C / D402 / CPC31311	2 years February & July	\$25 200	Year 10 with Maths and with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	●	●		

Certificate III in Bricklaying / Blocklaying

If you want to have a career in the building and construction bricklaying trade, this course will develop your skills and knowledge. Learn how to lay and bond bricks and similar building blocks and how to construct ornamental panels, feature walls, arches and columns. You will also learn how to lay bricks for domestic, commercial and public buildings and how to prepare and maintain brickwork.

Certificate III in Carpentry

If you want a successful career as a carpenter in the domestic housing industry or commercial construction area, this course will develop the skills and knowledge you will need. You will learn how to use basic carpentry tools, power tools and equipment, read and interpret plans, handle carpentry materials and construct pitched roof, ceiling frames and flooring systems. Carpentry formwork skills in preparation for concrete are also included. You will undertake work experience at various building sites.

Certificate III In Solid Plastering

If you want a career in the building and construction industry as a solid plasterer, this course will develop the skills and knowledge you will need. You will learn how to finish walls, floors and ceilings in gypsum and Portland cement plasters, and construct various mouldings, textured finishes and ornamental restoration work.

Certificate III in Wall & Floor Tiling

This course will develop your skills in all aspects of tiling, including wall and floor tiling, mosaic tiling and waterproofing processes. You will train at custom designed facilities where the emphasis is placed on providing hands-on, practical training. You will be taught to lay ceramic, clay, slate, marble, glass and other types of tiles on external and internal walls and floors to provide protective and decorative finishes.

Additional information

You will be required to undertake work placement in the building industry. You are required to arrange this placement. More information, advice and industry contacts will be provided at orientation and during your course.

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses

Further study

Graduates can continue into the Certificate IV and Diploma of Building & Construction - Building.

Please see page 63 for more information.

More information and course dates

For more information about this course please see: tafeinternational.wa.edu.au/building-engineering

BUILDING & CONSTRUCTION (BUILDING)

- North Metropolitan TAFE
- South Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Balga	East Perth
Certificate IV in Building & Construction - Building 071962F / W740/ CPC40110	1 year February: East Perth February & July: Balga	\$13 440	Year 11 with Maths and with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	●	●
Diploma of Building & Construction - Building 076414E / W741 / CPC50210	1 year February: East Perth February & July: Balga	\$13 440	Certificate IV in Building & Construction - Building	●	●

Certificate IV in Building & Construction - Building

This course will equip you with a diverse range of skills that will enable you to plan and supervise construction work and prepare, cost and schedule a contract. You will learn about building materials, timber framing code, building structures and construction techniques. You will get the skills to plan and produce cost estimates, manage construction costs and administer construction contracts. Once qualified, you will be able to work as a builder or manager dealing with low rise construction projects.

Diploma of Building & Construction - Building

This course introduces you to the legal, structural, financial and managerial processes involved in the construction process. It will provide you with the practical skills and knowledge you need to work as a builder on low rise to medium rise building projects. You will gain a range of skills enabling you to supervise the planning and quality of construction work, and manage the risks associated with projects.

Additional information

You will be required to undertake work placement in the building industry. You are required to arrange this placement. More information, advice and industry contacts will be provided at orientation and during your course.

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses 

Further study

Graduates of the Diploma may meet minimum entry requirements for entry into a university undergraduate degree. For more information about university pathways please visit: tafeinternational.wa.edu.au/universitypathways 

More information and course dates

For more information about this course please see: tafeinternational.wa.edu.au/building-engineering 

BUILDING DESIGN

- North Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Perth
Certificate IV in Residential Building Drafting 088825J / YN65 / 52757WA	1 year February & July	\$11 760	Year 11 with passes in Maths and with IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	•
Diploma of Building Design 079399G / D772 / CPP50911	2 years February & July	\$26 880	Year 12 with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent or Certificate IV in Residential Building Drafting	•

Diploma of Building Design

This course develops the skills you need to convert an idea into a clear, dimensioned drawing to prepare a builder with the necessary information for construction. Your work will be mostly office based but also involves spending time on building sites. You will learn the social and environmental aspects of construction projects and the practical skills required to prepare drawings, estimates and plans using 2D and 3D Computer Aided Design (CAD) techniques. The Diploma fine tunes your skills for the construction of Class 2 to 9 commercial and industrial building projects.

Career opportunities

Architectural Drafter | Building Designer

TAFE study pathway and duration

- ① Certificate IV in Residential Building Drafting → Diploma of Building Design | 3 years

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses

CIVIL CONSTRUCTION DESIGN

● South Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Diploma of Civil Construction Design 089827K / AZE3 / RII50515	1.5 years February & July	\$22 770	Year 12 with Maths and with an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent or Certificate III in Engineering - Technical
Advanced Diploma of Civil Construction Design 089832B / AZA8 / RII60515	6 months February & July	\$7 590	Diploma of Civil Construction Design

Fremantle

Advanced Diploma of Civil Construction Design

This course will provide you with a range of skills that will increase your opportunity to pursue a career in civil design offices. You will acquire skills in civil detail drafting and design of concrete, steel or timber structures, roads and pavements. You will also learn about risk management of a project and establish a quality system. In addition you will also acquire general workplace skills to enhance your ability to perform in civil design offices.

Career opportunities

Senior Civil Works Designer | Civil Design Draftsperson |
Civil Construction Supervisor

TAFE study pathways and duration

- ① Diploma of Civil Construction Design → Advanced Diploma of Civil Construction Design | 2 years

Lower level entry

- ② Certificate III in Engineering - Technical → Diploma of Civil Construction Design → Advanced Diploma of Civil Construction Design | 2.5 years
Please see page 69 for further information.

CIVIL & STRUCTURAL ENGINEERING

● North Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Diploma of Civil & Structural Engineering 087705C / 3746 / 52725WA	1 year February & July	\$15 180	12 with passes in Maths and English and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent or Certificate III Engineering - Technical
Advanced Diploma of Civil & Structural Engineering 087706B / 3745 / 52724WA	1 year February & July	\$15 180	Diploma of Civil & Structural Engineering

Perth

Advanced Diploma of Civil & Structural Engineering

This course will extend your study from the design and construction of civil works to projects ranging from skyscrapers to road designs. While the emphasis is on producing working drawings for civil works which are used to communicate the engineer's designs to the workers involved in constructing the works, you can participate more in the design decisions. You will learn a range of engineering drafting standards and work in CAD programs selected from autocad, microstation, revit and 12D. Students extend their ability to address technical issues beyond what is achieved in the Diploma course.

Career opportunities

Engineering Associate | Civil or Structural Design Draftsperson |
Design Draftsperson

TAFE study pathways and duration

- ① Diploma of Civil & Structural Engineering → Advanced Diploma of Civil & Structural Engineering | 2 years

Lower level entry

- ② Certificate III in Engineering - Technical → Diploma of Civil & Structural Engineering → Advanced Diploma of Civil & Structural Engineering | 2.5 years
Please see page 69 for further information.

COMPUTER SYSTEMS ENGINEERING

- South Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Thornlie
Certificate IV in Computer Systems 067506J / A132 / UEE40111	1.5 years February & July	\$20 160	Year 10 with passes in Maths and English and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	●
Diploma of Computer Systems Engineering 076542G / A155 / UEE50111	6 months February & July	\$6 720	Certificate IV in Computer Systems	●

Diploma of Computer Systems Engineering

This course will develop your skills in designing, installing, validating, evaluating and administering computer equipment and systems, and their associated devices. This course combines computer systems engineering skills with project management and sales skills to open up further opportunities in this industry. You will also be prepared for internationally recognised industry certifications including Comp TIA A+, CISCO Certified Networking Associate (CCNA), CCNA Security, CISCO Network Professional (CCNP).

Career opportunities

Business Equipment Technician | Electronics & Communications Technician | Computer Hardware Technician | Electronics Engineering Technician

Accreditations

The South Metropolitan TAFE is a CISCO Academy. Graduates of this course are eligible to undertake CISCO vendor certification studies.

TAFE study pathway and duration

- ① Certificate IV in Computer Systems → Diploma of Computer Systems Engineering | 2 years

Resource and material fees

ELECTRONICS & COMMUNICATIONS

- South Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Fremantle	Thornlie
Certificate IV in Electronics & Communications 066148A / A137 / UEE40711	1.5 years: Thornlie 1 year: Fremantle February & July	\$20 160 \$13 440	Year 10 with passes in Maths and English and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	●	●
Diploma of Electronics & Communications Engineering 076543G / A160 / UEE50511	6 months February & July	\$6 720	Certificate IV in Electronics & Communications	●	●

Diploma of Electronics & Communications Engineering

This course will give you the skills you need to design and validate/ evaluate electronics and communications equipment and systems. You will learn how to develop, select, commission, maintain and diagnose faults in electronic and communications components, subassemblies, apparatus and systems. You will develop skills that will enable you to plan and initiate alternative approaches to addressing a broad range of technical and management requirements.

Career opportunities

Business Equipment Technician | Electronics & Communications Technician | Instrumentation Technician

TAFE study pathway and duration

- ① Certificate IV Electronics & Communications → Diploma of Electronics & Communications Engineering | 2 years

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses

ENGINEERING - OIL & GAS

- North Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	Perth
Diploma of Engineering - Oil & Gas 090016B / YN63 / 52760WA	1 year February & July	\$15 180	Year 12 with passes in Maths and English and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent or Certificate III Engineering - Technical	•
Advanced Diploma of Engineering - Oil & Gas 090017A / YN61 / 52759WA	1 year February & July	\$15 180	Diploma of Engineering - Oil and Gas	•

Advanced Diploma of Engineering - Oil & Gas

In this course you will explore the geophysical and chemical formation of petroleum and the concepts of petroleum geology. You will learn about drilling operations, both onshore and offshore, concepts of downhole pressure conditions and formation mechanisms, and well control methodologies. This course also covers the environmental effects of engineering. This course builds on the Diploma course and provides opportunities for work in semi-professional technical positions in various areas of the oil and gas industry.

Career opportunities

Project Close Out Coordinator | Joint Venture Coordinator | Petroleum Technician | FLNG Operator | Engineering Associate

TAFE study pathway and duration

- 1 Diploma of Engineering - Oil & Gas → Advanced Diploma of Engineering - Oil & Gas | 2.5 years

Lower level entry

- 2 Certificate III in Engineering - Technical → Diploma of Engineering - Oil & Gas → Advanced Diploma of Engineering - Oil & Gas | 2.5 years

Please see page 69 for further information.

ENGINEERING (HVAC) REFRIGERATION & AIR CONDITIONING

● South Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Diploma of Engineering - Technical (HVAC) Refrigeration & Air Conditioning 079078C / WB87 / MEM50212	1 year February	\$15 180	Year 12 with passes in Maths and English and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent or Certificate III in Engineering - Technical
Advanced Diploma of Engineering (HVAC) Refrigeration & Air Conditioning 079074G / WB89 / MEM60112	1 year February	\$15 180	Diploma of Engineering – Technical (HVAC) Refrigeration & Air Conditioning

Carlisle

Advanced Diploma of Engineering (HVAC) Refrigeration & Air Conditioning

This course will equip you with advanced knowledge and skills in emerging technologies in this increasingly sophisticated area. Industries are demanding skilled and knowledgeable “HVAC” engineers and engineering associates in the area of building services and facility management and this comprehensive and practical course focuses on real HVAC systems. With newer technologies always being introduced to improve energy efficiency, there is an increasing need for highly skilled HVAC engineering associates to solve HVAC system design problems.

Career opportunities

Applications Engineer | Estimator | Site Supervisor | Sales Engineer | Mechanical Services Draftsperson

TAFE study pathways and duration

- ① Diploma of Engineering – Technical (HVAC) Refrigeration & Air Conditioning ➔ Advanced Diploma of Engineering (HVAC) Refrigeration & Air Conditioning | 2 years

Lower level entry

- ② Certificate III in Engineering - Technical ➔ Diploma of Engineering – Technical (HVAC) Refrigeration & Air Conditioning ➔ Advanced Diploma of Engineering (HVAC) Refrigeration & Air Conditioning | 2.5 years
- Please see page 69 for further information.

Advanced Diploma of Engineering

This course equips you with the practical skills and knowledge you need to learn how to produce drawings to design specifications for manufacture by an engineering workshop. You will develop a range of computer drafting skills as well as knowledge of mechanical engineering processes and principles. You will also increase your skills in computing and engineering graphics, materials, systems, standards and processes, including safety in the workplace, effective communication, quality control and project management.

Career opportunities

Design Draftsperson | Senior Drafter | Mechanical Engineering Technician

Accreditations

The Advanced Diploma of Engineering offered by South Metropolitan TAFE has been awarded international recognition by the International Engineering Alliance (IEA), and is also accredited by Engineers Australia.

TAFE study pathways and duration

- 1 Diploma of Engineering - Technical → Advanced Diploma of Engineering | 2 years

Lower level entry

- 2 Certificate III in Engineering - Technical → Diploma of Engineering - Technical | 2.5 years

MINING EXPLORATION

- North Metropolitan TAFE

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements	East Perth
Certificate III in Mining Exploration 089821E / AZB7 / RII30515	1 year February & July	\$13 440	Year 10 with a pass in Maths and an IELTS score (academic) of 5.5 with no band score less than 5.0 or equivalent	●

Certificate III in Mining Exploration

This course prepares you for work as a pit technician and underground geotechnician. You will learn how to collect and analyse geological samples, record information, and undertake the practical tasks involved in servicing a remote field operation. In addition, you will also learn basic vehicle maintenance, mining computing, first aid and mining methods. If you have a manual driver's license, you will have the option of enrolling in the 4WD unit to improve your employability.

Career opportunities

Exploration Field Assistant | Pit Technician

Advanced Diploma of Process Plant Technology 075920F / W519 / PMA60108	6 months February & July	\$7 070	Diploma of Process Plant Technology	●

Advanced Diploma of Process Plant Technology (Oil & Gas)

This course will provide you with the practical skills and knowledge to participate in planning and managing plant shutdowns and modifications. You will also learn how to take a lead role in the establishment of systems intended to prevent or enable responses to incidents or emergencies, and follow environmental work practices. You will also learn about advanced safety case preparation, incident response management, plant documentation and environmental impacts of the process.

Career opportunities

Project Close Out Coordinator | Joint Venture Coordinator | Technical Assistant | Petroleum Technician | FLNG Operator

Accreditations

The Advanced Diploma of Process Plant Technology offered by South Metropolitan TAFE is accredited by Engineers Australia.

TAFE study pathway and duration

- Certificate III in Process Plant Operations → Certificate IV in Process Plant Technology → Diploma of Process Plant Technology → Advanced Diploma of Process Plant Technology | 2 years

Advanced Diploma of Surveying 080844D / J360 / CPP60312	1 year February & July	\$15 180	Diploma of Surveying	●	

Advanced Diploma of Surveying

This course provides you with the practical skills you need to successfully carry out the role of surveyor. You will develop skills in the collection of spatial data related to engineering structures, roads, railways and mining operations. You will also develop skills in the operation of sophisticated survey equipment and software, including GPS and use this equipment to carry out complex survey projects, including open pit mine operations and underground mine operations and the processing of survey data to produce computer aided engineering drawings and mine plans.

Career opportunities

Mine and Engineering Surveyor | Surveying Assistant | Mineral Processing Technician

TAFE study pathway and duration

- ① Certificate III in Surveying & Spatial Information Services → Certificate IV in Surveying → Diploma of Surveying → Advanced Diploma of Surveying | 3 years

Western Australia is an ideal destination for international students because it has a lot to offer, including friendly people, beautiful beaches and a healthy work-life balance. When I first started in Australia I couldn't even speak English but this country is so open and multicultural that I didn't feel alone for one second during my time here.

Certificate IV in Disability 090732G / AWJ3 / CHC43115	6 months February & July	\$6 150	Certificate III in Individual Support (Aged Care and Disability)	●			●	

Certificate IV in Ageing Support

This course is for students who wish to further develop their skills in aged care support as there is a strong demand for these skills due to our ageing population. Students are taught the skills to provide encouraging assistance to older people along with skills in service coordination, financial management and goal-based planning. Students will also learn how to provide services to older people with complex needs, advocate for clients, facilitate support for personal care needs, coordinate information systems, and supervise other staff.

Career opportunities (Ageing Support)

Aged Care Worker | Support Officer | Community Worker | Personal Care Worker

Certificate IV in Disability

This course reflects the role of workers in a range of community settings and clients' homes, who provide training and support in a manner that empowers people with disabilities to achieve greater levels of independence, self-reliance, community participation and wellbeing. You will learn the skills required to promote a person centred approach and be able to work without direct supervision as you may be required to supervise and/or coordinate a small team. As part of this course you will undertake a supervised work placement where you will be able to apply the skills and knowledge you have learnt.

Career opportunities (Disability)

Support Officer | Residential Care Officer | Personal Care Worker | Lifestyle Support Officer | Welfare Worker

TAFE study pathways and duration

- 1 Certificate III in Individual Support (Aged Care & Disability)
 - ➔ Certificate IV in Ageing Support | 1 year
- 2 Certificate III in Individual Support (Aged Care & Disability)
 - ➔ Certificate IV in Disability | 1 year

Please note: for students on a pathway to Enrolled Nursing - an IELTS score (academic) of 6.0 with no band score less than 6.0 or equivalent is required.

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses

Further study

Graduates of the Certificate IV in Ageing Support or the Certificate IV in Disability are eligible to progress into the Diploma of Community Services.

Diploma of Salon Management 075977M / S782 / SIB50210	6 months February & July	\$6 460	Certificate IV in Hairdressing	●

Diploma of Salon Management

This course focuses on the skills you will need to manage the overall operations of a business that provides services and sales delivery in personal services environments, including hairdressing and beauty salons and spas. A salon manager at this level may focus on building the business, creating and establishing a client service culture, leading and developing a team, developing and implementing marketing activities, and ensuring all workplace health and safety requirements are met. The course also involves applying knowledge and skills, providing leadership and support to colleagues, client service, sales delivery, and managing human resources.

Career opportunities

Salon Manager | Hairdresser | Session Stylist |
Technical Adviser - Hair Products

Additional information

Students who enrol in this course will be assisted to find a work placement (whilst studying) in a commercial hairdressing salon for a minimum of 2 days per week in order to meet the assessment requirements of this course and to obtain the skill level required to work in the hairdressing industry. North Metropolitan TAFE staff will provide you with information about work experience at orientation.

TAFE study pathway and duration

- ① Certificate III in Hairdressing → Certificate IV in Hairdressing
→ Diploma of Salon Management | 2 years

HOSPITALITY & TOURISM

> Asian Cookery

> Baking

> Commercial Cookery

> Events

> Hospitality

> Patisserie

> Travel & Tourism

I was always interested in the events industry, just because it creates special and memorable moments in people's lives. It is ever changing and very challenging but that's what I like about it. The lecturers at my TAFE college are very friendly and extremely helpful and supportive, which made it a lot easier. I really enjoy the course I am studying and would like to extend my studies and do the Advanced Diploma.

Diploma of Information Technology Networking

This course will provide you with the practical skills and knowledge to assess client network requirements, design the system infrastructure and implement the design plan. You will also learn skills in internet/intranet, gateways, bridges/switches and installation/configuration of routers and networks, project management and the ongoing management of networks including security, maintenance, trouble shooting and upgrading.

Career opportunities

Computer Installation Technician | Network Administrator | Software Applications Programmer | Systems Administrator

Accreditations

The South Metropolitan TAFE is a CISCO Academy. Graduates of this course are eligible to undertake CISCO vendor certification studies.

TAFE study pathways and duration

- ① Certificate IV in Information Technology Networking → Diploma of Information Technology Networking | Up to 1.5 years

Lower level entry

- ② Certificate III in Information, Digital Media & Technology → Certificate IV in Information Technology Networking → Diploma of Information Technology Networking | Up to 2 years
- ③ Certificate II in Information, Digital Media & Technology → Certificate III in Information, Digital Media & Technology → Certificate IV in Information Technology Networking → Diploma of Information Technology Networking | Up to 2.5 years

Diploma of Software Development

This course provides you with skills in programming, software development and coding systems. You will learn how to develop software through the phases of design, development and implementation. You will learn the skills required to monitor software programs, incorporating testing, customising, disaster recovery, and project integration and management. You will also gain skills in coding systems to develop computer programs and develop business software applications through the design, development, and implementation phases. Upon completion of this course you will be able to create new software products to meet a project brief or customise existing software products to meet customer needs.

Career opportunities

Digital Programmer | Applications Programmer | Network Analyst | Software Developer | Software Applications Programmer

TAFE study pathways and duration

① Certificate IV in Programming → Diploma of Software Development | Up to 2 years

MARITIME

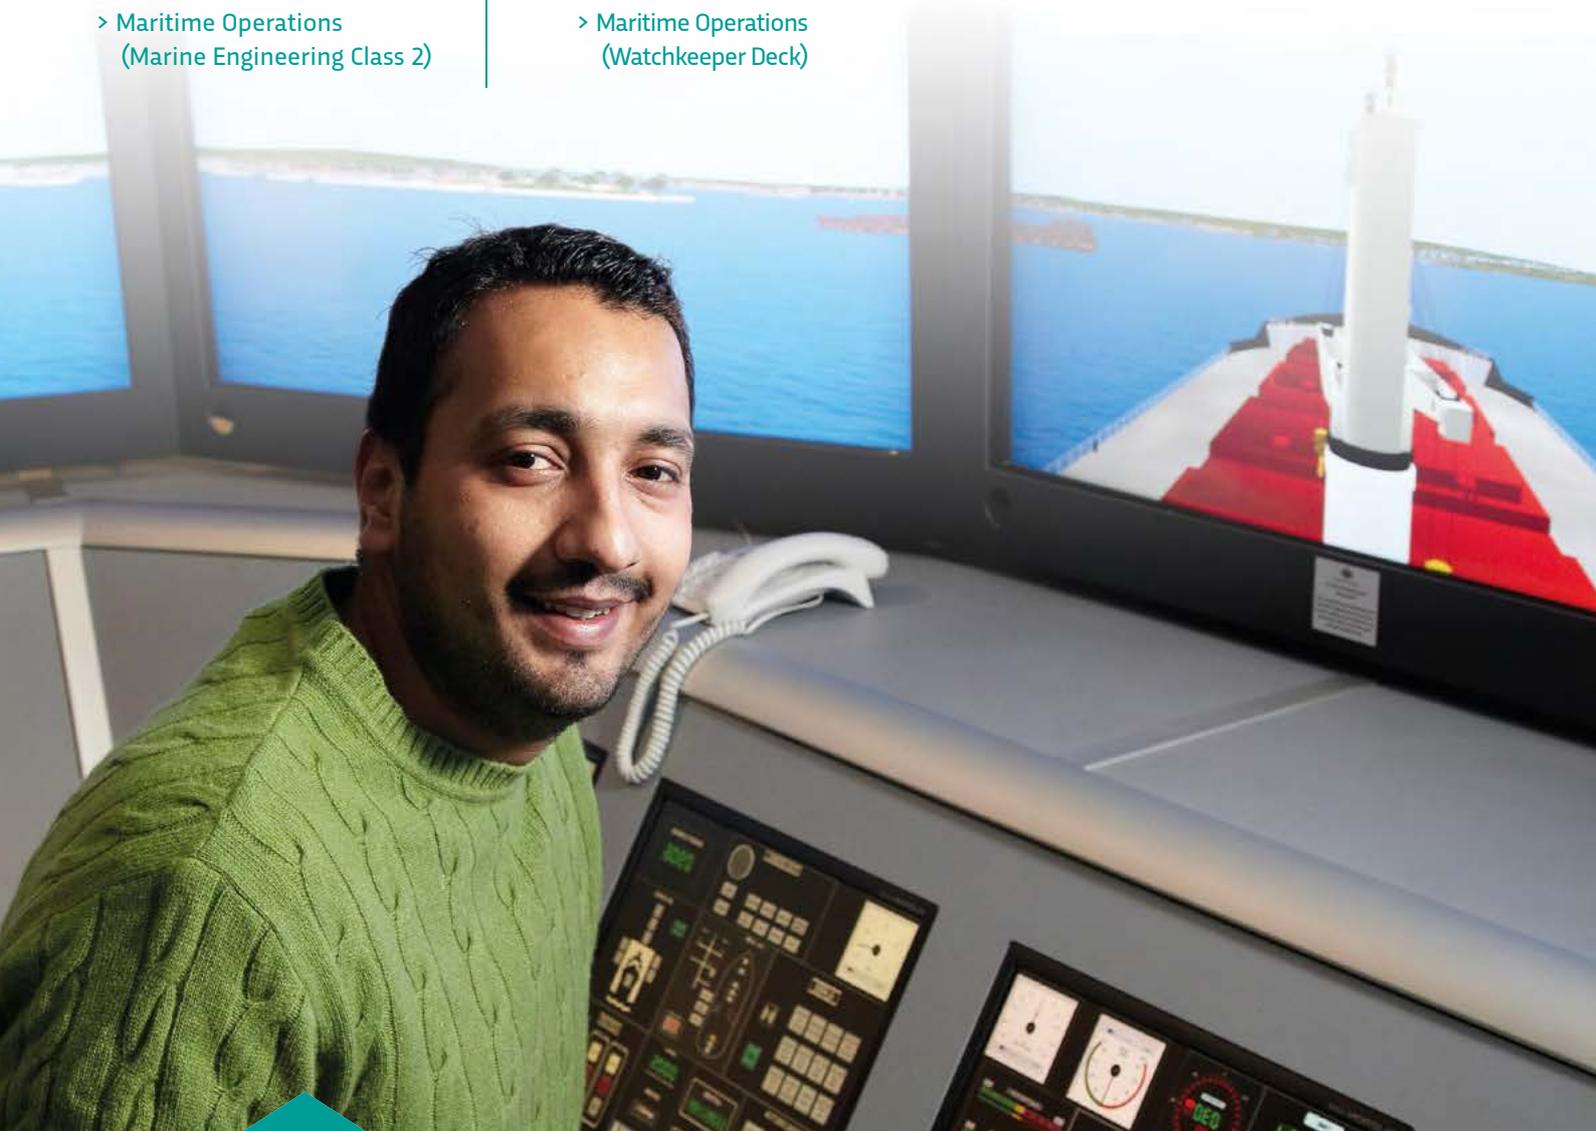

> Maritime Operations
(Engineer Watchkeeper)

> Maritime Operations
(Marine Engineering Class 2)

> Maritime Operations
(Marine Engineering Class 1)

> Maritime Operations
(Watchkeeper Deck)

> Maritime Operations
(Master Unlimited)

South Metropolitan TAFE is one of the only two institutes providing this course in Australia. Instructors are professional and have a good knowledge about the industry. The course covers the vast concepts in Maritime and is practically oriented with good infrastructure.

TARUNPREET | INDIA

Advanced Diploma of Maritime Operations (Master Unlimited)

MARITIME OPERATIONS (ENGINEER WATCHKEEPER)

- South Metropolitan TAFE (WA Maritime Centre)

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Diploma of Maritime Operations (Engineer Watchkeeper) 089631M / AVQ1 / MAR50115	39 weeks 24/04/17 - 16/02/18	\$11 240	Year 12 with passes in English, Maths and Physics plus an IELTS score of 6.0 (academic) overall with no band lower than 6.0

Fremantle

Diploma of Maritime Operations (Engineer Watchkeeper)

The Watchkeeper program provides students with the basic skills and knowledge required to maintain and operate marine engines, machinery and systems as well as theoretical knowledge required by the Australian Maritime Safety Authority (AMSA) for the position of Marine Engineer Watchkeeper on board vessels with a propulsive power of 750kW or more, operating in Australian coastal and international voyages.

The required sea-time, the AMSA letter of assessment for qualifying sea-service and eligibility towards AMSA Oral Exams and Certificate of Competency (CoC) are the responsibility of the student. All CoC applicant students will be subject to obtaining an AMSA Medical, and issuance of the CoC is at the discretion of the regulator (AMSA).

Successful completion of this course and the required sea time plus the AMSA oral examination, enables students to obtain the AMSA certificate. More information is available at the AMSA website amsa.gov.au and students are encouraged to check this website on a regular basis as frequent changes may occur.

Career opportunities

Engineer Watchkeeper

Additional information

The practical components for sea-survival and fire-fighting training are delivered offsite at IFAP's North Fremantle and North Lake training facilities. Please note that this course starts in April and you are required to attend an orientation session in April prior to commencement of your course.

TAFE study pathway

- ① Diploma of Maritime Operations (Engineer Watchkeeper)
- ➔ Advanced Diploma of Maritime Operations (Marine Engineering Class 2)

Short course fees

AMSA short courses are required to be undertaken depending on the status of an individual's previous training and may cost up to \$4 776.95.

Resource and material fees

For detailed information on the resource and materials fees for your course please visit: tafeinternational.wa.edu.au/courses

More information and course dates

For more information about this course please see: tafeinternational.wa.edu.au/maritime

MARITIME OPERATIONS (MARINE ENGINEERING CLASS 2)

- South Metropolitan TAFE (WA Maritime Centre)

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Advanced Diploma of Maritime Operations (Marine Engineering Class 2) 086367B / AVQ3 / MAR60115	1 year February & July	\$13 340	Diploma of Maritime Operations (Engineer Watchkeeper) or equivalent STCW Certificate of Competency and an IELTS of 6.0 (academic) overall with no band lower than 6.0 or equivalent

Fremantle

Advanced Diploma of Maritime Operations - Marine Engineering Class 2

This course is recognised by Australian Maritime Safety Authority (AMSA) as part of the requirements for the award of a Certificate of Competency as Engineer Class 2.

The required sea-time, the AMSA letter of assessment for qualifying sea-service and eligibility towards AMSA Oral Exams and Certificate of Competency (CoC) are the responsibility of the student. All CoC applicant students will be subject to obtaining an AMSA Medical, and issuance of the CoC is at the discretion of the regulator (AMSA).

Successful completion of this course will enable students, after appropriate sea service and oral examination, to apply for the Certificate of Competency from AMSA. More information is available at the AMSA website amsa.gov.au and students are encouraged to check this website on a regular basis as frequent changes may occur.

You will gain the knowledge components of the Marine Engineering program in the areas of mechanics, thermodynamics, electro technology, maths and computing including CAD. You will also gain skills at the management level in marine safety, marine management, legislative compliance, naval architecture and vessel maintenance. You will learn about electrical, electronic and control engineering along with the operation and maintenance of marine engineering plant and equipment. You may elect to undertake steam systems training as an additional skill set.

Additional information

The practical components for sea-survival and fire-fighting training are delivered offsite at IFAP's North Fremantle and North Lake training facilities.

Both the Class 2 and Class 1 qualifications are delivered as Part A (semester 1) and Part B (semester 2). Part A and Part B can be studied in any sequence.

Students studying Class 2 can elect to enrol and complete the Part A of both Class 2 and Class 1 simultaneously in semester 1 and complete Class 2 Part B in semester 2 towards eligibility for AMSA Certificate of Competency as Engineer Class 2.

These students after obtaining the qualifying sea-service eligibility for Engineer Class 1 would then later only need to enrol for Class 1 Part B which will also assist them in preparation for the AMSA orals for Certificate of Competency as Engineer Class 1.

Short course fees

AMSA short courses are required to be undertaken depending on the status of an individual's previous training and may cost up to \$4 040.

Career opportunities

Marine Engineer (Class 2)

- South Metropolitan TAFE (WA Maritime Centre)

Course Name CRICOS Code / WA Course Code / National Code	Duration & Intakes	Tuition Fee (AUD)	Admission Requirements
Advanced Diploma of Maritime Operations (Marine Engineering Class 1) 086369M / AVQO / MAR60215	1 year February & July	\$13 340	Advanced Diploma of Maritime Operations (Marine Engineering Class 2) or equivalent STCW Certificate of Competency and an IELTS of 6.0 (academic) overall with no band lower than 6.0 or equivalent

Fremantle

Maritime Operations (Marine Engineering Class 1)

This qualification is suitable for people who want to work as an Engineer Class 1 in the maritime industry on ships powered by main propulsion machinery of any propulsion power in any operating area.

The qualification forms some of the requirements for certification by Australian Maritime Safety Authority (AMSA) as an Engineer Class 1 and conforms to the requirements of Standards for Certification, Training and Watchkeeping (STCW) as detailed by the International Maritime Organisation (IMO).

The required sea-time, the AMSA letter of assessment for qualifying sea-service and eligibility towards AMSA Oral Exams and Certificate of Competency (CoC) are the responsibility of the student. All CoC applicant students will be subject to obtaining an AMSA Medical, and issuance of the CoC is at the discretion of the regulator (AMSA).

Successful completion of this course and the required sea time plus the AMSA oral examination, enables students to obtain the AMSA certificate. More information is available at the AMSA website amsa.gov.au Students are encouraged to check this website on a regular basis as frequent changes may occur.

Career opportunities

Marine Engineer (Class 1)

Additional information

The practical components for sea-survival and fire-fighting training are delivered offsite at IFAP's North Fremantle and North Lake training facilities.

Both the Class 2 and Class 1 qualifications are delivered as Part A (semester 1) and Part B (semester 2). Part A and Part B can be studied in any sequence.

Students who have previously completed the Part A of both Class 2 and Class 1 simultaneously, after obtaining the qualifying sea-service eligibility for Engineer Class 1, only need to enrol for Class 1 Part B which will also assist them in preparation for the AMSA orals for Certificate of Competency as Engineer Class 1.

Short course fees

AMSA short courses are required to be undertaken depending on the status of an individual's previous training and may cost up to \$4 040.

Maritime Operations (Watchkeeper Deck)

SCIENCE & ENVIRONMENTAL STUDIES

- > Conservation & Land Management
- > Environmental Monitoring & Technology
- > Horticulture

- > Laboratory Technology
- > Landscape Design

The Australian wilderness is the first reason why I decided to stay in this beautiful country, and I feel that it is now my home. Western Australia's flora is of an amazing diversity and complexity. Unfortunately, it is threatened every day and I feel the need to do my share when it comes to protecting it.

More information and course dates

For more information about this course please see: tafeinternational.wa.edu.au/science-environment [L2](#)

APPLICATION INFORMATION

Application process

Find a course

Check entry requirements

Submit an application

Accept your offer and pay

Apply for your student visa

Receive your visa and come to Australia to start your studies

1. Find a course

You can choose from over 250 TAFE courses. Visit the online course catalogue at tafeinternational.wa.edu.au/courses [🔗](#)

2. Check the entry requirements

All applicants can study at TAFE in the calendar year they are turning 18. There are no English or Academic entry requirements to begin our English (ELICOS) programs. However, all of our Certificate and Diploma courses have specific Academic and English proficiency requirements. You can find out about these requirements by going to the TAFE International Western Australia (TIWA) website tafeinternational.wa.edu.au [🔗](#)

Make sure that you can meet the entry requirements of your chosen course before you proceed to the next step in the application process.

Application and Acceptance Deadlines

Deadlines for submitting applications to TIWA for admission to TAFE courses depend on your passport nationality and whether or not you are applying onshore or offshore.

You should also be aware that there are deadlines for accepting offers and making fee payment. CoEs will not be issued after the cut-off date, this is to ensure that you leave a reasonable time to get your visa and arrive in time for orientation and the start of classes.

Visit the website for information on important dates and deadlines: tafeinternational.wa.edu.au [🔗](#)

3. Submit your application

You can apply to study at a TAFE college by completing your application online at tafeinternational.wa.edu.au/apply [🔗](#)

You can apply directly to TIWA or you can apply through one of our approved education agents. You pay the same fees whether you apply directly to us or through one of our education agents.

Many students choose to apply directly, especially as they can use this guide and the TIWA website to find all the information they need and submit their applications online. Other students choose to use education agents to assist them in preparing and submitting their study and visa applications. If you do not already have an agent, you can find an approved TIWA agent on our website: tafeinternational.wa.edu.au/agents [🔗](#)

Receive your Letter of Offer

Once we have received your application and supporting documentation, we will assess your eligibility to study your selected course(s). If eligible and there are places available we will send you a 'Letter of Offer'. This letter will be sent to you directly or through the education agent you have nominated according to your instructions on the application form.

If we have not received all of the required supporting documentation from you, for example certified copies of certificates etc. then your Letter of Offer will have conditions listed noting the information you still need to provide.

There are many high demand courses that fill up very quickly, so you should consider returning your acceptance and payment promptly.

Please note your place is subject to availability at the time of acceptance and payment.

You will also need to allow sufficient time before your course starts to obtain your visa and make arrangements to come to Western Australia. Usually at least 3 - 6 months is needed to do this.

4. Accept your offer and pay

To accept your offer, you must return your signed Letter of Acceptance with:

- > Supporting documentation that you were requested to supply, in your Letter of Offer (i.e. conditions).
- > Payment of your schedule of fees, as indicated on your Letter of Offer.

5. Receive your Confirmation of Enrolment (CoE) and apply for your student visa

Subject to the availability of places after you have signed and returned the Letter of Acceptance, made full payment and met any conditions, we will provide you with a Confirmation of Enrolment (CoE) which you will need in order to apply for a student visa at the Australian High Commission or Embassy in your country.

You must have a student visa in order to enter Australia and start your studies.

The latest and most accurate information on obtaining your student visa can be found on the Department of Immigration and Border Protection's website: border.gov.au 

If you need help obtaining your visa and other aspects of moving to Australia, which may be best provided in your own country or language, then you might like to use the services of one of our approved education agents.

Bringing dependant children

You will need to declare all family members that will be joining you in Australia in your visa application. For more information please see: www.border.gov.au/Trav/Stud/Brin 

You will require a Confirmation of Placement from TIWA to secure your child's dependant visa from the Department of Immigration and Border Protection.

To receive a copy of your Confirmation of Placement you are required to provide the following documents:

- > Completed Confirmation of Placement Request Form
- > Confirmation of Enrolment (COE) for the Primary Visa Holder
- > Copy of the Primary Visa holders passport details page
- > Copy of the child/children's passport details page

Please send these documents to the Admissions Team via email: admissions.tiwa@dtwd.wa.gov.au

This Confirmation of Placement does not guarantee you an enrolment in a public primary or secondary school. You will be required to fund the tuition of your dependant children.

For more information about studying at a Western Australian public school including the tuition fees please visit tafeinternational.wa.edu.au/study-at-school 

6. Receive your visa and come to Australia to commence your studies

When your student visa has been granted, you are ready to come to Western Australia to begin your course. Please take note of the orientation dates for your college as you will be provided with important information that you need to know to successfully complete your course of study and to make the most of your time in Western Australia.

You must arrive in Australia prior to the commencement of your course or your enrolment may be deferred to the next available intake and you may have to return home.

Late starts will only be granted in exceptional circumstances, where evidence can be provided.

Your enrolment

Make sure that you are familiar with the International Student Code of Conduct visit: tafeinternational.wa.edu.au/current-students/code-of-conduct 

You can find other information to help you to manage your enrolment on the TIWA website including:

- > changing course
- > paying your fees
- > semester dates
- > complaints and appeals
- > international student support

Visit tafeinternational.wa.edu.au/current-students 

To view a copy of TIWA's *Refund Policy* please visit tafeinternational.wa.edu.au/current-students/refund-policy 

All TIWA refunds will be made in accordance with the refund table and conditions contained within this policy.

Notes

A series of horizontal dotted lines for writing notes.

Passport and visa details: Enter details as shown in your passport.

Country of birth: Country of citizenship:

Passport number: Expiry date:

 Please attach a copy of the photo page of your passport.

Do you hold a current Australian Visa? Yes No

If yes, what type of visa do you hold? Visa subclass: Expiry date:

If no, what type of visa will you be applying for?

Are you currently in Australia? Yes No

Are you currently applying, or have previously applied for Australian Permanent Residency Status? Yes No

If yes, please state your date of application:

Overseas Student Health Cover (OSHC)

Do you have current Overseas Student Health Cover (OSHC)? Yes No

If yes, who is your provider?

Membership number: Expiry date:

If no, do you need TAFE International Western Australia to organise OSHC for you? Yes No

If yes, what type of OSHC do you need?  Single  Couples  Family

If you wish to use another provider, you will need to make your own payment arrangements and show evidence for the full duration of your studies to the Department of Immigration and Border Protection (DIBP).

English level:

English is my first language? Yes No

English was the language of instruction during my secondary school or college studies? Yes No

If yes, did you gain a satisfactory pass in English? Yes No

I have undertaken an English course in Australia? Yes No

Course name:

English college:

Level of English course:

I have undertaken an English test? Yes No Date:

Complete only the relevant fields.

IELTS (overall band score):

Individual band scores: Reading Listening Writing Speaking

TOEFL score:

Pearson (PTE) score:

Other English test:

 Please attach evidence of your English test results

Current or previous studies:

Secondary school studies

Month/Year Commenced	Month/Year Completed	Year Level Achieved	Name + Country of School

Tertiary or post secondary studies

Month/Year Commenced	Month/Year Completed	Title of Course	Name + Country of Institution

 A verified copy of all original transcripts and all official results must accompany this application. Please include grading system to enable interpretation of academic results. List any studies you have attempted, whether complete or incomplete.

If you cannot provide academic results from your home country, we may be able to accept other relevant documents (e.g. resume, work references) as evidence.

Previous employment: If relevant.

Month/Year Commenced	Month/Year Completed	Position	Employer

 If possible, attach work references and/or a resume.

Previous studies in Australia

Are you transferring from a university or college in Australia? Yes No

If yes, name of Institution:

Have you been studying your principal* course for longer than 6 months? Yes No

What is your principal* course of study?

* The principal course is defined as the highest qualification for which you have been issued a Confirmation of Enrolment (CoE).

 Please attach copies of your current academic transcripts and Confirmation of Enrolment/s (CoE/s).

SECTION 2 : COURSE DETAILS (please complete relevant sections of PART A, B or C)

PART A: APPLYING FOR AN ENGLISH COURSE

Please select the relevant English course and TAFE college below:

North Metropolitan TAFE - Perth Campus

- General English
 IELTS Plus

South Metropolitan TAFE - Bentley Campus

- General and Academic English
 IELTS Ready Preparation
 IELTS Plus

Number of weeks: 5 10 15 20 25 30 40 50 Other:

Start date:

Please confirm your approximate English level. Please note, no courses are offered at Beginner level.

Pre-intermediate

I can understand and speak some English for daily activities.

Intermediate

I know and I can use most basic grammar and vocabulary. I can communicate successfully in a variety of situations, even if I make mistakes.

Advanced

I can speak English fluently in most situations with a few mistakes. I have strategies for understanding new and unusual language.

PART B: APPLYING FOR A TAFE COURSE

Please list the highest level of course you wish to study. If you wish to enrol into a non-standard pathway please list each course in the pathway.

Course Number	Course Name	College	Campus

I wish to commence my TAFE pathway in:

Year: Semester 1 (February) OR Semester 2 (July)

PART C: TAFE TO UNIVERSITY PACKAGE

I would like to package my course with: Curtin ECU Murdoch UWA

To apply for a university package you must apply through an Education Agent that has an agreement with both TAFE International Western Australia and your preferred university. You can find an approved TIWA agent on our website: tafeinternational.wa.edu.au/agents

Details of available pathways, further information, fees and university application forms can be found at: tafeinternational.wa.edu.au/tafe-to-university-package-application-process

SECTION 3 : FINALISING YOUR APPLICATION

PART A: APPLICANT'S DECLARATION AND CHECKLIST

Declaration: if you are under the age of 18 this declaration must also be signed by your parent or guardian.

1. I declare the information in this application and supporting documentation is true.
2. I acknowledge that the provision of incorrect information or documentation or the withholding of information or documentation relating to my application may result in cancellation of my enrolment.
3. I am aware that it my responsibility to abide by my visa conditions and that my student visa may be cancelled if I breach these visa conditions. For more information please see: www.border.gov.au/Trav/Stud/More/Visa-conditions/visa-conditions-students
4. I consent that my personal information may be made available to Australian Commonwealth and State agencies including the Department of Immigration and Border Protection (DIBP) pursuant to obligations under the ESOS Act and the National Code.
5. I consent to TAFE International Western Australia (TIWA) providing DIBP with any information about my status until I depart Australia.
6. I agree that TIWA may disclose information in relation to my enrolment status, visa status, including any possible breach of visa conditions along with copies of my course progress and results to my parent/s, welfare carer, and/ or agent.
7. I declare I have access to sufficient funds to support myself and my dependants (if any) for the entire duration of my studies in Australia. This includes tuition fees, travel costs, living costs as outlined on the DIBP website: www.border.gov.au/Trav/Stud/More/Student-Visa-Living-Costs-and-Evidence-of-Funds
8. I understand that if I am unable to pay my tuition fees in line with the payment due date, TIWA may cancel my enrolment which will affect my student visa.
9. I fully understand the TIWA Refund Policy tafeinternational.wa.edu.au/current-students/refund-policy

Applicant's signature: Date:

Parent/Guardian's signature: Date:

Application checklist

Have you:
