YOUR CAREER
PATHWAY

Ireland is ranked in the global
TOP 10

Education

Quality of the
education system

Economy

University education that
meets the needs of a
competitive economy

Knowledge

Knowledge transfer
between universities
and companies

Destination IRELAND

Ireland is the ideal destination for graduate study. The Irish education system is ranked in the Global Top 10, our graduates are sought after in government, industry, NGOs and organisations worldwide, and you will study in a country that combines dynamic modern cities with thousands of years of history and culture.

OUR EDUCATION SYSTEM IS EXCELLENT

Ireland's education system is amongst the best in the world. We lead in the skills race with a higher percentage of 3rd level graduates than the UK, US and OECD averages. **Ireland also ranks in the top 10 globally for:**

- Quality of the education system
- University education that meets the needs of a competitive economy
- Knowledge transfer between universities and companies

WE'RE SAFE

Ranked **12th out of 163 countries** in the Global Peace Index.

WE'RE CONNECTED

Ireland is a **gateway to world markets** and is one of the most open and globally connected countries in the world. Ireland's geographic position, easy transport links to Europe, the US and the Middle East, and membership of the EU and Eurozone, ensure easy access across the globe.

OUR AMBITION AS A GLOBAL INNOVATION LEADER

Already, **Ireland is in the Global Top 20 for the quality of our scientific research and ranks:**

- 1st in the world for Immunology
- 1st in the world for Animal and Dairy
- 3rd in the world for Nanoscience
- 4th in the world in Computer Science
- 6th in the world for Material Science

Ireland is widely regarded for excellence in research, development, science and technology.

WE'VE GOT GREAT CAREER OPPORTUNITIES

With a **two year stay back visa** for postgraduates, many students now choose to stay in Ireland beyond their studies and start their careers here.

Ireland has developed strategic clusters of inward investment in areas including Financial Services, Internationally Traded Services, Pharmaceuticals, Life Sciences, ICT, Engineering, Digital Media and Consumer Brands amongst others. These and many other sectors offer great opportunities for UCD graduates.

Photo by UCD student Brooke Houen

SECTOR SPOTLIGHT

ICT

IRELAND IS KNOWN AS THE INTERNET AND GAMES CAPITAL OF EUROPE and is home to nine of the top ten global software companies, nine of the top ten US tech companies, all of the top three global security and global enterprise software companies, four of the top five IT services companies and all ten of the top 'born on the internet' companies.

ENGINEERING

THE ENGINEERING INDUSTRY IN IRELAND IS STRONG AND VIBRANT. It supports a very broad range of companies in various fields, including environmental, biomedical, aerospace, energy, ICT and medical devices to name but a few! The industry is also a very strong contributor to Irish exports generating €5 billion in exports annually.

FOOD AND AGRICULTURE

THE MANUFACTURE OF FOOD AND DRINK IS IRELAND'S MOST IMPORTANT INDIGENOUS INDUSTRY, with over €13 billion of product exported to 180 markets worldwide. Ireland supplies 15% of the world's infant milk formula and three of the four best-selling infant formula companies in the world are based in Ireland.

FINANCIAL SERVICES

IRELAND IS THE 4TH LARGEST EXPORTER OF FINANCIAL SERVICES IN THE EU, and is home to over 400 international financial institutions in world-leading areas such as fund administration and aircraft leasing.

PHARMA

IRELAND IS A WORLD-LEADING CENTRE OF EXCELLENCE FOR THE MANUFACTURE OF PHARMACEUTICAL AND FINE CHEMICAL PRODUCTS.

The Irish pharmaceutical sector, which comprises pharmaceutical, fine and speciality chemical and biotechnology companies, is one of the world's largest exporters of pharmaceuticals. Ireland is home to all of the top ten global pharma companies and has over 30,000 people employed in the industry. Ireland has exported almost €73 billion in biopharmaceutical product. There are over 30 FDA approved pharmaceutical/biopharmaceutical plants across Ireland – a testament to the standards of practice in the industry here.

MED TECH

THE MEDICAL TECHNOLOGY SECTOR IN IRELAND IS RECOGNISED AS ONE OF THE FIVE GLOBAL EMERGING HUBS.

The sector employs over 40,000 people in Ireland and is the second largest employer of medtech professionals in Europe, per capita. Ireland is one of the largest exporters of medical products in Europe with annual exports of €12.6 billion worldwide. Nine of the world's top 10 medical technology companies have a base in Ireland and 60% of the 450 medtech companies based here are indigenous. Ireland also boasts an incredibly strong services and contract research and manufacturing base; in fact 50% of the companies located here are in the business to business space.

Destination DUBLIN

UCD is situated in Ireland's capital city, Dublin, which is located on Ireland's east coast, and served by a large international airport which sees over 33 million passengers pass through annually. With major European capitals just a short flight away, Dublin is an ideal base from which you can easily explore the rest of Europe.

A COMPACT, COSY, yet bustling city, Dublin is easy to navigate and the city centre is within walking distance, or just a short bus ride, from UCD.

WE'RE FRIENDLY AND POPULAR!

Dublin is one of the three most visited capital cities in Europe, and is regularly voted friendliest city in Europe by TripAdvisor.

WE'RE EUROPE'S TECH HUB

Regarded as Europe's tech capital, Dublin's thriving digital hub is home to international IT giants such as Google, LinkedIn, Facebook, Twitter, AirBnB, Hubspot, and Squarespace.

WE'RE AN EVENTFUL CITY

Dublin hosts many annual events such as the St Patrick's Festival, Chinese New Year Festival, Culture Night, the Dublin Film Festival, and is home to the national football and rugby teams.

WE HAVE AN INCREDIBLE ARTS AND PERFORMANCE SCENE

Dublin has spawned jaw-dropping creative talent, and amazing authors such as James Joyce, Roddy Doyle, and Anne Enright hail from the city. Dublin is also home to a multitude of world famous bands, including U2 and

The Script, and actors such as Colin Farrell, Saoirse Ronan and Domhnall Gleeson.

Storytelling is not just confined to books, music and movies – Dublin has a vibrant stage scene and theatres such as The Gate and The Abbey have performance runs throughout the year. You can also take many tours in Dublin, where the guides will make history come alive through their stories!

WE'RE ALL ABOUT THE CRAIC (IT'S OUR WORD FOR FUN!)

The pubs, coffee shops, and music venues of Dublin are important meeting and social venues for both Dubliners and visitors to the capital. You can enjoy coffee in a bookshop, have a drink overlooking the city, and see musicians perform any night of the week.

WE HAVE FOOD TO CATER FOR EVERYONE'S TASTES!

Dublin has a vibrant, young, multicultural population, and the city centre is packed with food stores and restaurants to suit everyone's budget and tastes. There is an Asian strip just north of the River Liffey, home to many authentic and award-winning restaurants, and the many supermarkets in the city centre stock ingredients from around the world.

EXPERIENCE THE BEST OF BOTH WORLDS

Flanked by beaches to the east and mountains to the south, and dotted with parks, Dublin boasts wonderful amenities for everyone to enjoy.

Photo by UCD student Hoang My

Destination UCD

UCD has an excellent reputation, justified by its position as number one in Ireland across so many areas.

NUMBER ONE FOR STUDENTS & THEIR WELFARE

With over **8,400 international students** from more than 140 countries UCD has the largest international student population in Ireland.

NUMBER ONE FOR GLOBAL COMMUNITY

Many of the **288,000 global alumni network**, living in 169 countries, hold positions in leading organisations around the world. The UCD alumni network is influential, successful, active and truly international.

NUMBER ONE FOR EDUCATION

- Ranked among the top 1% of higher education institutions worldwide.
- The best **internationally accredited curriculum** in Ireland.
- The widest **range and choice of degrees** for students.
- The best teaching and learning structure for **quality education**.
- The most **flexible, fully modularised curriculum** in Ireland.

NUMBER ONE FOR INTERNATIONAL STAFF

International academics make up over **30% of UCD's faculty**, and over 50% of UCD research-funded staff is non-Irish.

NUMBER ONE FOR RESEARCH

UCD has the highest volume of publications across all Irish universities. It is the **number one university globally on citations per paper** in the area of Food Science.

NUMBER ONE FOR CULTURE

- UCD is recognised as one of Europe's largest archives of **oral tradition and cultural history**.
- Home to the National Folklore Collection, and inscribed in 2017 to the **UNESCO Memory of the World Register**.

NUMBER ONE FOR GLOBAL CONNECTIONS

- UCD is a member of several international research and education networks such as **Universitas 21 (U21)**, the **World Universities Network (WUN)**, and **UNICA**.
- UCD has global centres in **Beijing, Delhi, Kuala Lumpur, Dubai and New York** (as well as staff based out of Chicago and Los Angeles).
- UCD provides and accredits degree programmes overseas in **cooperation with partner institutions** in China, Singapore, Malaysia, and Hong Kong.
- UCD established the **first Confucius Institute in Ireland** in 2006. It has been declared "Confucius Institute of the Year" three times, and 2018 saw the first custom-designed Confucius Institute building in the world open at UCD.

NUMBER ONE FOR SPORT

UCD is an outstanding university for sports, with a community of athletes competing at elite levels of their sports.

- **World University Games:** Four club members represented Ireland in their respective Sports at the World University Games in Italy in 2019.
- **Athletics:** In March 2019 UCD Athletics as UCD Ad Astra alumni Ciara Mageean and UCD Ad Astra Scholar Mark English who both took home a medal at the European Indoor Championship.

- **Rowing:** In Rowing, the men's and Women's Clubs won the overall varsity title in 2019 following their successes in numerous events in Cork. At the National Championships in July the senior men's eight crew secured the overall National title, a prize won by UCD just once in the preceding 45 years.
- **Rugby:** The first team retained its position in Division 1 A of the All Ireland League. Nine players were also capped for Ireland at senior level. They included Adam Byrne, Ross Byrne, Dan Leavy, Luke McGrath, Andrew Porter, Garry Ringrose, James Ryan, James Tracy and Josh van der Flier were all capped for Ireland.
Seven UCD club members were part of the Irish set-up for the 2019 world cup in Japan, six players and video analyst Vinny Hammond. Andrew Porter, Rob Kearney, Luke McGrath, James Ryan, Josh van der Flier, Garry Ringrose, Vinny Hammond (Analyst).
Four UCD players were part of the successful Irish Under 20 Six Nations and Grand slam winning squad, including the team captain Charlie Ryan. The Irish Rugby U20s finished off their successful 6 Nations campaign with the Grand Slam against Wales.
Twenty four players were capped for Leinster at Senior or Academy level.

APPLYING

to UCD

TWO TYPES OF Graduate courses are available at UCD, Taught and Research.

Graduate Taught courses, such as Graduate Diplomas, MA, MSc and ME, are taken by students who hold an undergraduate degree. The majority of the course will involve taught modules.

Research courses, such as Master's by Research or PhD, involve students carrying out their own research and academic study under the one-to-one guidance of their academic supervisor.

In all cases, to graduate with a Master's Degree, you will need to complete a dissertation or participate in a credit-bearing internship (in which case a report might replace the submission of a thesis).

ADMISSION REQUIREMENTS TO TAUGHT PROGRAMMES

The normal requirement is a recognised Bachelor's Degree at Second Class Honours, Grade One (2:1), or equivalent. Applicants should check the programme specific requirements as some degrees may require a higher standard for entry. For applicants who do not have the required minimum academic entry standard, a year-long qualifying course, such as a Higher or Graduate Diploma, may be available in some cases.

STUDENT VISAS AND IMMIGRATION

Most non-EU/EEA students require an entry visa for Ireland. You can check on the Irish Naturalisation and Immigration Service website (www.inis.gov.ie) for the list of countries that do not require a visa. If your country is not on the list, then you require a visa. For example – US, Canadian, Brazilian and Malaysian students do not require a visa but Indian, Chinese and Russian students do.

If you are applying from China, India, Nigeria, Russia, the United Arab Emirates or the United Kingdom, please also check the Irish Embassy website for details of further documentation which may be required.

Note: Ireland is not a member of the Schengen Agreement. You will, therefore, still have to apply for an Irish visa even if you have a visa for a Schengen country.

ADMISSION REQUIREMENTS TO RESEARCH PROGRAMMES

For Master's by Research Degrees, coursework and examinations may also be specified by the College at entry. Normally these have to be satisfactorily completed in the first year of a Master's Degree programme.

To be eligible to enter one of UCD's PhD programmes, a candidate must have reached a high honours standard in their primary degree. In a significant number of cases, a Master's Degree may also be required. Specific information on entry requirements can be found on the relevant UCD School website.

MEDICAL AND TRAVEL INSURANCE

EU Nationals

Students from EU Member States in possession of the European Health Insurance Card (EHIC) are entitled to public health services in Ireland. The EHIC card is available from the health authorities in your home country. For further information and information on your entitlements to healthcare while in Ireland please see the European Health Insurance Card website www.ehic.ie

Non-EU Nationals

Because of the regulations of the Irish Naturalisation and Immigration Service, non-EU students must obtain private health insurance. UCD does not arrange health insurance for students. You can purchase insurance in your home country; however you will need to ensure that it is valid in Ireland and in any other countries you plan to travel to.

UÍ BHRIAIN
O'BRIEN CENTRE FOR SCIENCE

ENGLISH

Language Requirements

Teaching in Irish universities is normally through English, therefore all applicants are required to demonstrate a high level of competence in the English language.

NON-NATIVE ENGLISH speakers must provide evidence of equivalent competency in the English language through a recognised test, as outlined below.

Please note that IELTS or equivalent will also be required as part of the visa application process. Refer to the INIS English language requirements (www.inis.gov.ie) for more information.

UCD normally requires an IELTS average score of 6.5 across all components and a minimum of 6.0 in each band on the Academic Version. A list of recognised English language examinations and our normal requirements for these examinations is available on <https://www.ucd.ie/registry/admissions/elr.html>

Note: Some UCD graduate programmes require a higher standard of English language proficiency. Please check the individual programme requirements for further information.

UCD APPLIED LANGUAGE CENTRE (ALC)

PRE-SESSIONAL ENGLISH LANGUAGE PROGRAMME

The UCD Applied Language Centre provides a range of programmes for students whose first language is not English and who wish to improve their English before commencing a graduate programme at UCD. Applications are welcome from students who require

an intensive period of English language preparation to meet university entry requirements, or who have already met the conditions of entry but wish to improve their proficiency.

For more information please see <https://www.ucd.ie/alc/programmes/pathways/pathways-presessional/>

UCD PRE-MASTERS PATHWAY (PMP) PROGRAMME

This programme is designed primarily for international students who meet the academic entry requirements of their chosen UCD graduate taught programme but do not yet meet the English language requirements for direct entry to that programme. The principal function of the Pre-Master's

Photo by UCD student Jiajin Li

Programme is to prepare students to successfully undertake their chosen UCD Master's Programme by:

- Increasing their English language skills to the level necessary to undertake their UCD Master's programme, and
- Allowing them to become familiar with how their chosen subject area is delivered in UCD while also gaining experience of life as a UCD student before commencing their graduate studies.

Note: It is the responsibility of the applicant to check whether or not UCD ALC programmes meet entry requirements. www.ucd.ie/alc

ENGLISH LANGUAGE PROFICIENCY

Proficiency test results must normally have been issued within two years of February prior to start of term (i.e. for entry in September 2021, results must have been attained from 01 February 2019 onwards). Please refer to [UCD Registry Minimum English Language Requirements](#) for further information.

Other evidence of proficiency in English may be accepted, e.g. degree through English or English major degree. For further advice please contact internationaladmissions@ucd.ie.

Photo by UCD student Anmol Hura

Life on CAMPUS

The main UCD Belfield campus has a huge range of facilities including restaurants, cafés, a bookshop, a bike shop, a barber shop, a post office, a bank, a bar, a grocery store, a large student centre and outstanding sports facilities.

UCD GLOBAL LOUNGE

There are areas all over campus where students can hang out, notably the UCD Global Lounge, which is an area designed for and staffed by students.

UCD STUDENT CENTRE

The Student Centre and the UCD Sport and Fitness complex are the hub of student life on campus. **Student Centre** facilities include a state-of-the-art 3D cinema, drama theatre, debating chamber, 600-seat auditorium, meeting rooms for student clubs and societies, TV studio, radio pod, seminar room, medical centre, pharmacy, barber and newsagent, UCD Clubhouse (bar and function room), cafés, shops and social spaces.

Our modern **Sport and Fitness Centre** has an extensive range of amenities, catering for students of all fitness levels, from casual

gym-user to Olympic athlete. Facilities include a 50 metre swimming pool, gym, and multiple courts and pitches.

Student Gym Membership entitles current UCD students to free access to the UCD Sport & Fitness Gym and the Performance gym. When you activate your Student Membership you can gain access to the pool on a pay-as-you-go basis or can pay a once-off annual charge for unlimited access to the pool area.

Students' Union shops are run by the UCD Students' Union and are stocked with student needs in mind.

UCD's Student Societies organise multiple events throughout the year, and are a great social network for students. The International Student Society organises regular trips throughout Ireland, and there are societies and clubs to cater for many interests.

www.societies.ucd.ie

STUDENT WELFARE

We have set up a comprehensive network of services to help you overcome any issues and we are always here to help. Professors, lecturers and tutors can assist on academic matters, and there are dedicated and specialist student services to help you with any social, personal and emotional matters. These include Student Advisers, Chaplains and the Counselling Service. We have lots of experience dealing with the areas of difficulty that may affect you, and it is easy (and confidential) for you to meet someone who can discuss any problems or queries you might have.

UCD also offers a wide range of [Sports Clubs](#) for you to join. You'll also find a world-class gym, extensive fitness classes and a 50 metre Olympic swimming pool. There are rugby, football and hockey pitches and tennis courts. Find out more at <https://www.ucd.ie/sportandfitness/>

Campus safety is a priority, and 24-hour security is in operation.

ACCOMMODATION AT BELFIELD

Ireland's largest university campus, UCD is a vibrant student community with over 3,000 students living on a state-of-the-art campus close to Dublin city centre. UCD Residences provides accommodation in

a mix of apartments, halls and catered accommodation, and all UCD accommodation is single-room and apartment-style. As a guideline, accommodation fees for the 2020/21 academic year range from €6,982 - €11,926 for two trimesters and €10,571 - €12,450 for three trimesters.

The "Res Life" social programme helps to foster a sense of community within the residences. There are games rooms located in three of our residences, and a gym in one of our newest builds. Specially adapted facilities are provided for students with disabilities.

ACCOMMODATION AT BLACKROCK

Residences at the UCD Smurfit School campus in Blackrock consist mostly of fully-furnished, six-bedroom apartments with individual ensuite facilities and study areas.

Further details are available at:

MONEY MATTERS

Fees, Scholarships and Funding

TUITION FEES

UCD tuition fees vary according to the nature of your degree. They cover the cost of study at the University, as well as charges for registration, tuition, supervision, research consumables and equipment usage, examinations, and graduation. For up-to-date details of tuition fees by programme of study, including additional programme costs, please check the UCD fees website: www.ucd.ie/fees

COST OF LIVING

The cost of living in Dublin depends on each student's individual needs. You must have sufficient funding in place before enrolling on your course. Please use the figures in the table as a rough estimate of a monthly student budget. The estimates do not include the cost of flights or insurance. You should also budget for any initial costs you will likely incur, such as short-term accommodation, e.g. the immigration registration fee of €300 (as of June 2020).

REGISTRATION WITH AUTHORITIES

Non-EU/EEA nationals must register in person with the Irish Naturalisation and Immigration Service ([INIS](#)) after arrival and after completion of registration at UCD. The Burgh Quay Registration Office will issue you with a residence permit (previously known as a GNIB card). The fee for this card is €300 (correct as of June 2020) and should be included in your budgeting calculations.

COST OF LIVING

This table gives a rough guide to the cost of living in Dublin over the course of one month.

MONTHLY COSTS		
Rent (based on UCD Merville accommodation rates)	▶	€835
Electricity/gas/bins	▶	€30
Food (including lunches)	▶	€250
Travel (Student Leap card)	▶	€80
Books and materials (including photocopying and printing)	▶	€70
Clothes / medical	▶	€45
Mobile phone (excluding handset cost)	▶	€20
Social life / miscellaneous	▶	€130
Total:	▶	€1,460

Costs will vary from student to student, and as such, the costs outlined above are guideline only.

Photo by UCD student Mohammed Al Jazzaf

FUNDING

Some international graduate students at UCD are funded from their home governments or other funding bodies. For more information, you should contact the Ministry of Education or other appropriate government agency directly in your home country. Some multinational aid organisations and other large corporations also provide scholarships or funding for international students. If you wish to apply for assistance, please contact the nominated administrator within the organisation directly.

US Federal Student Loans

For comprehensive information on loans and aid for North American students, please check go to the Scholarships and Finance option at <https://www.ucd.ie/global/study-at-ucd/scholarshipsfinances/northamericaloans/>

United States (US) citizens and permanent residents attending UCD are eligible to receive Federal Student Aid from the US Department of Education. UCD participates in the William D. Ford Direct Loan programme. Additionally, it recognises aid provided for US Veterans through the GI Bill. Students may also be able to access private loans and 529 plans, if necessary.

Note: Grants provided by the US Dept of Education are not eligible to be used at UCD or any institution outside the US.

Canadian Student Aid

The Government of Canada offers Canadian Student Aid to full-time and part-time post-secondary students who demonstrate financial need in most provinces and territories across Canada. UCD is approved to administer these loans.

SCHOLARSHIPS & AWARDS

Student excellence and achievement are recognised in UCD through a wide variety of scholarships and awards, which celebrate the diverse talents of our students. Many of these awards are highly regarded by employers and industry.

To award outstanding achievement and to attract students of the highest calibre from around the world, UCD is pleased to offer a number of Global Excellence Graduate Scholarships to international students. These scholarships are competitively awarded based on academic merit and offered by country and/or by discipline. Please see www.ucd.ie/global/scholarships for further information.

WORKING IN IRELAND

Students who are attending a full-time course of at least one year's duration are entitled to seek employment on a casual basis. Casual employment means you can work for 20 hours per week during term time or full-time (up to 40 hours) during normal college holidays.

Our GRADUATE Taught Programmes

University College Dublin offers Ireland's widest range of graduate programmes which are recognised and valued by academic institutions and employers throughout the world.

The following pages provide a selection of taught graduate programmes that we have found to be of particular interest to international students. To see the complete list of UCD graduate taught and research programmes, please see www.ucd.ie/graduatestudies

The list of programmes is divided into categories and sub-categories to help you to explore the programmes available in your area of interest. You may discover a related programme that will suit your existing area of study and your career ambitions. Certain programmes appear in more than one sub-category on the listing and some are offered with multiple award types (e.g. MA and MSc).

Step-by-Step Guide to Joining UCD

GRADUATE TAUGHT

Getting started

- Choose your preferred course(s) using the course finder facility at www.ucd.ie/graduatestudies/
- Check the specific course entry requirements
- Fill out the application form at www.ucd.ie/global/apply
- Press Submit; you will then receive a confirmation email which will include a list of required supporting documents in order for your application to be processed. Please note that only complete and submitted applications will be reviewed

Checking your application status

- You can check the progress of your application and whether your documents have been received by logging in to your application account and viewing your application
- You will receive an automated email alerting you of a change in the status of your application when a decision has been made

Accepting your offer

- Log in to your application account, accept your offer and pay the deposit (if appropriate). The deadline to take this step will be clearly stated on your offer letter.
- Your acceptance will not be recorded until you pay the deposit (if required)

Next steps

- Check out the Incoming Student Portal
- Apply for a visa (if applicable)
- Apply for Scholarships
- Research accommodation options
- Attend a UCD pre-departure session
- Participate in the UCD 'Jumpstart' Programme
- Participate in orientation and registration
- Start classes

Need help? Contact internationaladmissions@ucd.ie

Step-by-Step Guide to Joining UCD

GRADUATE RESEARCH

Identify a suitable supervisor in your preferred area of study

You must research your target programme and contact a potential supervisor before you begin the application process. Here are some resources to help you to identify a potential supervisor in UCD:

UCD School Webpages www.ucd.ie/graduatestudies/collegesandschools

UCD Research Profiles <https://people.ucd.ie>

UCD Strategic Research Priorities www.ucd.ie/research/whatweresearch/strategicpriorities

UCD Graduate Studies Course finder www.ucd.ie/graduatestudies

Make contact

Contact the potential supervisor via email.

Investigate funding options

Students are advised to first check with grant-awarding bodies in your own country. You should also contact the UCD School in which you are interested to ask about current funding possibilities.

After accepting your offer

- Apply for a visa (if applicable)
- Research accommodation options
- Attend a UCD pre-departure session
- Participate in orientation and registration
- Start classes

Your Career PATHWAY

A qualification from a university of UCD's reputation places graduates in a strong position when it comes to finding a job. UCD remains a targeted university and each year over 150 employers recruit directly on campus, while thousands more advertise vacancies through the UCD Careers Network website.

UCD helps graduate students develop the abilities, attributes and qualities that employers want, and will prepare them for their academic, personal and professional future.

Find out more information at www.ucd.ie/careers and connect to the Careers Network through social media:
Twitter: @UCDCareers
Facebook: facebook.com/ucdcareers

THIRD LEVEL GRADUATE SCHEME (STAY BACK OPTION)

This scheme allows non-EU/EEA students who have completed a graduate qualification from Irish higher education institutions to remain in Ireland for two years to seek employment. If you have graduated from UCD with a Master's or PhD you can avail of this scheme.

Employers can hire graduates who are eligible to work for up to 40 hours per week. After 24 months, you may be eligible for the Work Permit Scheme. More information about this scheme can be found at www.inis.gov.ie

THE UCD CAREERS NETWORK

Whether you have a clear vision of what you want to do upon graduation or are just beginning to look at your career options, the UCD Careers Network can help you to:

- Understand the range of national and international career opportunities available to you.
- Find out what other UCD graduates from your programme have gone on to do.
- Take programmes and workshops to develop your skills, competencies and attitudes that employers seek.
- Develop a winning CV, cover letter and interview techniques for face-to-face, telephone, Skype and group interviews and learn how best to compete for jobs.
- Develop the skills, competencies and career knowledge needed for success.

PwC

"An organisation is only as good as its people. That's why PwC seeks out the best and brightest students and graduates. Every year we hire UCD students on our Summer Internship programme, our Work Placement programme and our Graduate programme. We have UCD alumni in every part of our business from Partners through to Associates. We hire UCD students from all disciplines including business, accountancy, law, science, arts and engineering. The students we recruit are enterprising, passionate, innovative and bright. They also have strong communication and interpersonal skills. These students are seeking an opportunity for personal and professional growth, the chance to experience new cultures and opportunities, and to make an impact. Students and graduates from UCD fulfill all of these requirements and we find that they thrive in PwC. We look forward to receiving applications from UCD for all of our programmes."

Niamh McInerney, Head of Graduate Recruitment, PwC

Career & ALUMNI SUPPORTS

There are lots of resources available to you before you begin your studies at UCD, including:

- [Jumpstart](#) – the free online resource that will jumpstart your career in Ireland by helping you learn about the graduate recruitment market in Ireland, develop the skills Irish employers are seeking, and apply for jobs in Ireland.
- Get some tailored tips and advice with the [Career Planning Tool](#).
- Watch the [5 minutes on.... Video series](#) for lots of great advice on everything from CV preparation to networking.

When you're a student at UCD, make sure you:

- Attend the bespoke careers and professional development workshops delivered for your programme of study. You will get more information on these when you start.
- Register for the [UCD Advantage Award](#)
- Come along to the [Recruitment Fairs and Employer Events on campus](#) (UCD login required to access events listing).
- Make an appointment for a [one-to-one consultation with a Career & Skills Consultant](#).
- Check out the [online vacancies portal CareersConnect](#) (UCD login required).

UCD ALUMNI

The UCD alumni network is influential, successful, active and truly international. Many of the 288,000 UCD global alumni network, living in 169 countries, hold positions in leading organisations around the world. From the moment you get an Offer of Study to UCD, you will have access to the [UCD Alumni Network](#) to help connect you with these alumni.

Find people from your location, the degree you are considering, or the area you hope to work in. Hear about their experience as a UCD student, how their degree helped them land their current job, and how staying connected is helping them achieve their professional goals.

You can meet a mentor and connect with recent graduates and experienced alumni in your field of interest.

When you finish your degree at UCD, you will officially join the wider UCD alumni community. They will be there to support you in the next steps of your career journey.

JANE ANN MCKENNA, BUSINESS

Jane Ann McKenna is Head of Médecins Sans Frontières (MSF) Strategic Planning. In 2007, Jane Ann left her career in banking to join MSF in Darfur where she led the organisation's response to crises in the Central African Republic, Sri Lanka, Iraq, Ethiopia and most recently Afghanistan. Jane Ann was appointed Head of Office of Médecins Sans Frontières Ireland in 2011. Jane Ann is responsible for the delivery of emergency medical aid to some of the most acute conflicts in Africa, Middle East and Asia. She leads the strategic growth and development of MSF's Irish office, focusing on fundraising, communications and recruitment initiatives.

Jane Ann McKenna,
MSc in International Business
