CHOOSE

A LOCATION THAT SUITS YOUR LIFESTYLE

City, country, beach or mountain - whichever you choose, you'll receive a warm welcome at your TAFE NSW location.

Australia is a culturally diverse country with people from many different backgrounds living and working together. We are open, friendly people who value cultural diversity and our multicultural lifestyle - and TAFE NSW life reflects that vibrancy.

We enjoy outdoor barbeques (BBQs), going to the beach, watching theatre, visiting museums and dining out with friends and family. We also love playing and watching sport - especially cricket, soccer, football, rugby, netball, tennis, surfing and golf. Whatever your pursuit, you'll find like-minded people here to share it with while you live in Australia.

LIFE

AT TAFE NSW

Whichever TAFE NSW location you choose to attend, you'll have plenty of opportunities for social and recreational activities with local students. One of the best ways to make new friends is to join the Student Association. It provides a range of great services, discounts, facilities and activities for students and staff. It's a great way to get involved - and membership is free for all international students.

GENERAL SERVICES AND SUPPORT

We provide help and support for all your study-related needs. Most locations have shops, cafes, student lounges, bookshops and on-location wi-fi. With everything at your fingertips, there's no stress adapting into a new study environment. You will also have access to:

- + libraries
- + careers advice and help finding a job
- + resume writing and preparing for a job interview
- + counselling for study and other personal matters - a free and confidential service
- + spacious grounds for enjoying a break
- + security staff - who are there to ensure your safety while on location.

All locations have car parking and are well served by bus (except for some TAFE NSW Western Sydney locations). Most locations are served by rail (except for some TAFE NSW Riverina locations).

DEDICATED SUPPORT FOR INTERNATIONAL STUDENTS

When enrolling at your TAFE NSW location you will be introduced to friendly and knowledgeable staff who will assist you through your TAFE NSW journey. They will look after your welfare and will:

- + meet you when you arrive at your location
- + organise your orientation program
- + answer questions about your studies
- + help to solve your problems
- + assist in accessing other support services.

'I chose TAFE NSW because the standard of education is higher than at other colleges... It's a calming and relaxed life in Newcastle. We're near the beach and we can share activities and experiences with other students.'

Ioannis Pagkalinis | Greece

LOCATIONS

As international students you have many TAFE NSW locations to choose from. Each has its own range of courses and facilities.

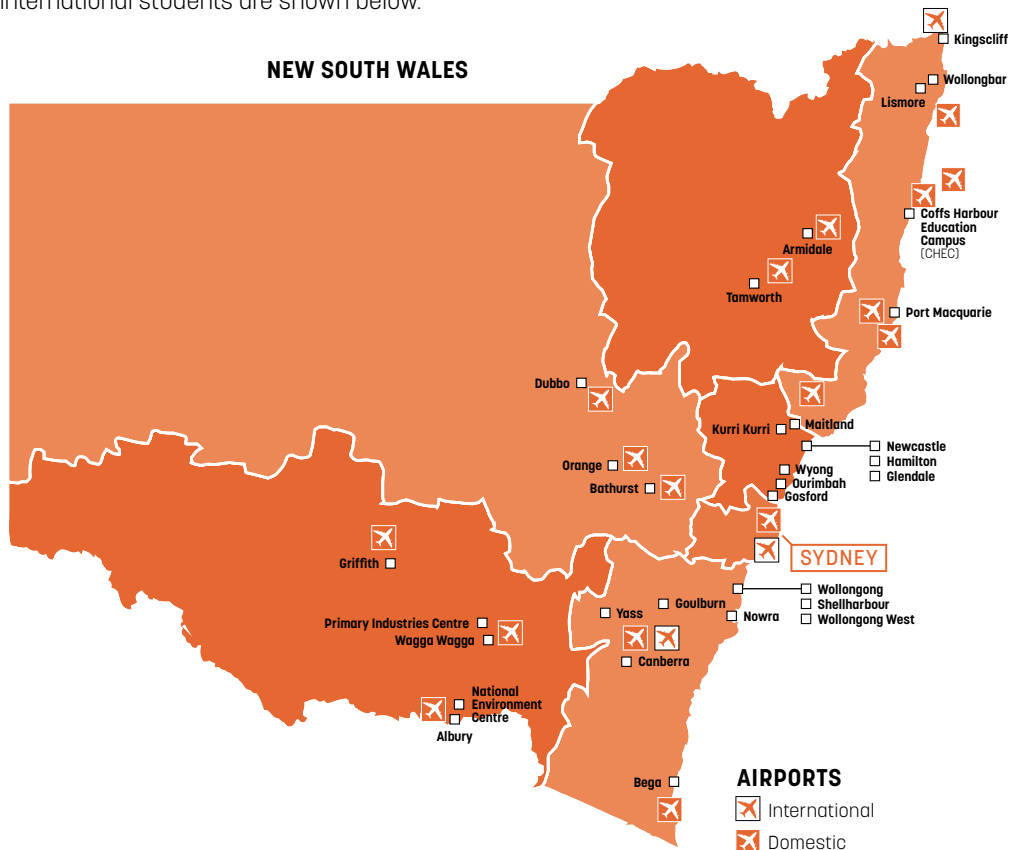

There are locations in the Sydney metropolitan area and outside of Sydney. Locations that deliver courses for international students are shown below.

TERMS AND CONDITIONS

Your application to enrol as an international student will be assessed by TAFE NSW. An offer will be issued to you only if you meet admission requirements, including academic, English language and student visa requirements as assessed by TAFE NSW.

TAFE NSW defines a study period as the following:

- > A standard Vocational semester consists of two terms, with a total of 18 teaching weeks.
- > A standard Higher Education semester consists of two terms, with a total of 15 teaching weeks.
- > English language courses are delivered in five-week sessions.

All fees in these terms and conditions are shown in Australian Dollars (AUD).

1 REVIEW OF TUITION FEES

TAFE NSW reserves the right to review its fees and charges. Fees are subject to annual review. If tuition fees are changed you will be required to pay the new fees from the commencement of the next semester. If you defer your course, you will be required to pay the fees applicable at your new commencement date.

Fee increases for students who have accepted an offer of enrolment, or who re-enrol in the same course or a new course within a package of courses will be limited to a maximum of 10 percent of the original fee.

2 VARIATION OF TUITION FEES

I. Vocational courses

If you are required to repeat units or to re-sit assessments during the standard duration of your course (as indicated by your e-Confirmation of enrolment), then additional fees may apply. The additional fees will be the same as those applicable to domestic students repeating units or re-sitting assessments.

If you extend the original duration of your course or are granted a variation to your study load due to recognition of prior learning, if the number of hours of study is less than 50 percent of a standard semester load, a pro-rata fee will apply. However, if the number of hours of study is equal to or more than 50 percent of a standard semester load, a full semester fee will apply.

II. Higher Education courses

If, in a semester, you are approved to enrol in less than a standard semester load, fees will be charged on a per-subject basis.

Such approvals will be given only where you obtain recognition of prior learning or are exempted from certain subjects in a semester or where your study load is reduced as part of an academic intervention strategy.
