

High Achiever Scholarships

AUT University
Certificate in Foundation Studies
New Zealand

AUT University is the fastest growing and second largest university in New Zealand. AUT is a contemporary university focusing on student success, research and industry connectivity and engagement.

The AUT University Certificate in Foundation Studies is designed to meet the needs of international students and prepares for undergraduate studies at AUT University.

Up to NZ\$5,000

will be awarded to selected candidates following receipt of the official application form as well as providing evidence of academic success.

Outstanding students are encouraged to apply for these Scholarships which recognise students with:

- › Excellent academic grades from the previous two years of study
- › Demonstrated leadership capability

To learn more about our students who have succeeded in the foundation programme and beyond please check

universitypathways.acgedu.com

Please contact your local education agent or your ACG representative to submit an application for ACG's upcoming intakes on 30 April, 19 July and 8 October 2018.

Please note these scholarships are only valid for new students commencing in 2018 and will be awarded at the discretion of ACG Education and may be discontinued at any time.
