Monash now accept Predicted result from CIE registered A Level Schools ,and IB Schools in Indonesia for acceptance in most of its courses with two points higher than its standard requirement, except for Bachelor of Medical Science & Doctor of Medicine, and Bachelor of Physiotherapy (Hons). As we are now in April, this is the time to collect the predicted result from potential students wish to commence in *Semester 2 (July), 2018 intake*.

> ***How to submit the predicted Cambridge A Level Result?*** Students predicted results must be provided in the form of a statement on the institution's letterhead, signed by the principal or registrar of the institution, or their authorized delegate and issued no more than 3 months prior (Issue date: April) to the Monash University enrolment date by mentioning centre number, candidate number, date of birth and series (i.e. when the final examination was taken) for online verification of final Cambridge A Level Result.

> ***How to submit the predicted IB Diploma Result?*** Students predicted results must be provided in the form of a statement on the institution's letterhead, signed by the principal or IB Diploma program coordinator, or their authorized delegate and issued no more than 3 months prior (Issue date:April) to the Monash University enrolment date by mentioning centre number, candidate number, date of birth and series , and also by providing the IB Diploma Program Coordinator Declaration Form (attached)

Please keep on mind, that above condition on applicable for ***July, 2018 intake,*** and those students who wish to commence their undergraduate studies in ***Semester 1, 2019***, to obtain a full offer, submission of a Final official CIE A Level / IB Diploma result is required (predicted grades cannot be used for this instance)
