UNISADHUGUNA – FLYBEST FLIGHT ACADEMY JOINT DEGREE PROGRAM

The aviation industry offers students a range of exciting and avant-garde careers that did not exist in previous generations.

The aviation industry covers a wide range of air travel activities including the entire airline industry, aircraft manufacturing, airport management, research companies, military aviation, and many more. It is an industry that worth 838 billion U.S. dollars in 2019, with a growth rate of 8% annually.

To cater the growing demand of careers within the aviation industry, UniSadhuGuna (USG) and Flybest offer students a joint degree that combines the study of Aviation Management and Pilot License, to prepare the students to be the leader in the aviation industry.
