

Start your pathway to the University of Western Australia with a diploma from Taylors College Perth!

Studying a Taylors College Diploma of Science* or Commerce will provide you with the extra English language and academic support you need to enter directly into the second year of a science or commerce degree from the University of Western Australia.

You will have the flexibility to fit your studies around your lifestyle and preferred way of working. You can complete the program over eight or twelve months, and choose from three start dates each year.

Class sizes are kept to a maximum of 25 students so you get plenty of contact time with your teachers.

Once you successfully achieve a pass in all eight subjects you will be awarded a Diploma of Science or Commerce, and you will be guaranteed a place in the second year of the UWA Bachelor of Science or Commerce degree program.
