### **Acceptance deadline for February 2018 Intake**

Chinese New Year public holidays falls on 15 – 17 February 2018. During this period, there will be public holiday here in Malaysia whereby delays in visa processing and courier services will be expected. In order to ensure a smooth acceptance, please advise all applicants to **complete their acceptance process by the 2nd week of January (latest 11 January 2018)**. This would then give us sufficient time to prepare their documents and submit to Sarawak Immigration.

Students are expected to arrive on time for enrolment and orientation which is the week before commencement.

Should any students wishes to submit after 11 January 2018, they will run a risk of late enrolment application and this is subject to approval by the faculty.

### **Discontinuation of paper-based English Placement Test**

Effective from 1 January 2018, the paper-based Swinburne Sarawak English Placement Test (EPT) will no longer be used. Please refer to the website for updated English entry requirements: <https://www.swinburne.edu.my/find-course/entry-requirements.php#english-language>
