International
College.

International Foundation Year in Science and Engineering.

A unique opportunity leading to a career in dentistry

We are pleased to announce that our Biological And Life Sciences foundation pathway can now provide a route for ambitious students to access a Bachelor's degree in Dental Surgery. Those who succeed will study at the prestigious School of Clinical Dentistry at The University of Sheffield.

sheffield.ac.uk/international-college

The
University
Of
Sheffield.

International
College.

Internationally recognised dental surgeons are made in Sheffield.

Students studying a Bachelors in Dental Surgery will become part of the next generation of health professionals, practising clinical dentistry around the world.

At The University of Sheffield, students will receive intensive training and first hand, clinical experience from world-class academics and health practitioners, using the latest techniques, facilities and equipment.

The degree is fully accredited by the General Dental Council (GDC) and the School of Clinical Dentistry is linked to the Charles Clifford Dental Hospital, where the majority of clinical teaching takes place.

International Foundation Year

The international foundation year is designed to be the perfect preparation for studying an undergraduate degree at the University of Sheffield.

At the college you will study a tailor-made pathway within the Science and Engineering programme, as well as attending the School of Clinical Dentistry for more subject-specific teaching to ready you for progression to your Bachelor's Degree in Dental Surgery.

City living,
campus life.

St.Vincent's Place

In the heart of the city, near the main University campus and next door to the International College, St.Vincent's place is a brand new development, perfect for international students coming to study in Sheffield.

This striking new development includes a beautifully renovated Roman Catholic church which is a social space for students offering social space, games room, cinema room, kitchen and a range of other communal facilities.

The latest addition to the University of Sheffield's award winning accommodation portfolio, our students will benefit from the expertise and experience the Accommodation team offer, such as term time tenancies, early bookings, low deposits - which can be refunded should a student not reach their academic requirements - and on-site student mentors who support, advise and inspire the student community.
