Notes:

- The Scholarship and Early Payment Bursary may not be combined.
- The scholarship or bursary will appear on the student's offer letter and will be deducted from the second instalment of fees paid prior to departure, as scholarships are applicable to the final term of a student's studies.
- The Spring intake encompasses all academic start dates from January 2019 through to April 2019.
- The number of scholarships and bursaries may be limited, and this policy may be changed or withdrawn at any time.
- The final decision on awarding scholarships and bursaries rests with Kaplan International.
