

BTEC UK PROGRAMS IN AUDIO MUSIC PRODUCTION (AMP)

FORWARD YOUR JOURNEY TO THE MUSIC & FILM INDUSTRY.

ABOUT UIC COLLEGE

UIC College is a Pathway Program provided by UniSadhuGuna a private education institute with over 25 years of experience in delivering a quality international education program in Indonesia.

UIC College takes pride in delivering quality international programs using innovative approaches that respond to students' interests in Indonesia. Our diverse educational pathway programs encourage our students to actively participate in their educational learning experiences in a way that inspires creativity, engages students to actively learn and to build their confidence. UIC aims to develop Noble Scholars: students with good characters who are agile, full of hope and possess limitless potential to grow.

UIC CENTER OF CREATIVE ARTS

“The creative industry offers a range of exciting, modern careers for today’s students that did not exist in previous generations”

As part of its commitment to preparing industry-ready graduates UIC has established UIC Center of Creative Arts. Students who want to know the breadth and depth of the creative industry are best suited to be part of this center. The center provides an array of facilities, including Music & Recording Studios, Design Studio, Fashion & Graphic showcase display, Photography Studio, and many others.

Real World Learning

UIC offers a real-world curriculum that mirrors the needs in the industry. Series of practical activities that will take students to study beyond the classroom have been developed based on the input and advice from the industry experts, including:

- Guest Lecturers
- Professional Development
- Company Visits
- Real Client Projects
- Seminars
- Field Trips
- Internship
- Music Studio Recording
- Music performance studio
- Creative Space

These practical learning experiences are aiming at fostering students' professional and soft skills development, motivation to explore and a sense of creativity. Therefore, they are ready to explore deep into themselves, discover their unique qualities and achieve their professional aspirations.
