Subject: [Sun-counselor] UPDATE OZ: Monash Update - December 2017
Importance: High

Dear Team,

Berikut beberapa update penting yang perlu diperhatikan untuk Monash University Australia:

1. Enrollment Process – effective from Semester 1, 2018

Once students have accepted their full offer they will be advised to enrol in units online for their course before they come to campus.

This is a positive change for students as they'll be able to select and enrol in the units they want to study. This will allow them more time to familiarise themselves with the unit outline and outcomes, and the type of assessments they'll undertake.

ENROL IN UNITS

Early online unit enrolment will ensure that students can select their preferred units before they reach capacity as well as enabling them to access an earlier timetable allocation and parking permit.

Students should enrol in their units online as soon as they receive notification from us and no later than Friday 23 February 2018. Failure to enrol in their units by this deadline will result in them being unable to start their course this semester. **No extension for enrolment past this date will be approved.**

All the instructions are available in the [enrolment checklist \(pdf, 0.14mb\)](#). You might like to print this out for easy reference.

We'll be asking students go to the [Get started](#) website and follow the instructions to enrol in units. They should read all the instructions carefully and contact Monash Connect if they need help to enrol in units.

Monash Connect can be contacted on:

- Phone [+613 9902 6011](#) (9am-5pm AEDT)
- [Make an online enquiry](#)

If students are waiting for an assessment outcome for their application for credit, they can proceed anyway. They will have a chance to change their units by the end of the first couple of weeks of semester.

We'll be contacting all students and advising them of the new enrolment process soon.

ANOTHER UPDATES:

1. Additional Bursary for Master of Biotechnology - 4000 AUD - July 2018 Intake
2. Under 18 Accommodation for MUFY & MC Students - *Arrow Swanston now change name to Scape Swanston*, and the change reflected to *updated U18 Arrangement Form (attached)*
3. If you have a student transferring to Monash University Australia from JIC, you don't need to ask the student transcript from JIC, as all the student result from JIC is connected to Monash admission when the result is ready.
4. Adjustment progression score from MUFY to any bellow double degrees:

| DOUBLE DEGREES | | | |
|--|---|-----------|-----------------------------------|
| COURSE | DEGREE AWARDED | CAMPUS | TOTAL MUFY SCORE (Out of 100%) |
| Arts/Fine Art | A20051 Bachelor of Arts and Bachelor of Visual Arts | Caulfield | 67.5% 72.5% |
